

Voters Approve Hospital Bonds In All Precincts

Ground Breaking Planned This Fall, Work to Start in Spring

By an overwhelming vote of 412 to 70, voters of the Tahoe Forest Hospital District Tuesday approved a \$150,000 bond issue to provide the district with a modern 12-bed hospital unit to be located on a site donated for the purpose by R. Joseph in the east section of Gateway Park.

Now the directors of the district are anxiously awaiting final word from the state department of public health regarding an application for \$264,000 in matching funds from the federal-state appropriation. While it has been indicated by state officials that this money will be forthcoming, a definite decision will not be made until the state board meets in Los Angeles later this month.

A comparison of the vote for the school bonds two weeks ago and the hospital showed that five per cent more people favored the hospital than the school. The vote for the school bonds was 488 to 118.

By precincts the vote Tuesday was as follows:

Truckee: yes 243, no 22.

Tahoe City: yes 67, no 22.

Kings Beach: yes 52, no 21.

Soda Springs: yes 50, no 5.

The site for the new hospital is half a mile west of Truckee and two blocks south of Highway 40. The site was donated by Joseph in memory of his son, Lt. Lavin Joseph, killed in the war with Japan. This site, as well as plans drawn by Architect George Sellon of Sacramento, has been approved by state officials and when completed as planned the hospital will be one of the most modern in the state, complete with all required facilities.

The directors have pointed out that while the hospital is expected to pay its own expenses within a period of five years, this cannot be anticipated immediately. The unit will be operated by the board in administrative power with a manager in charge of the hospital. Fees will be established for patients but indigents will continue to be handled by the county hospitals, emergency cases treated locally and the charge made against the county for this service.

The directors—C. R. Heller, Ray Scott, Ted Barrett, James Sherritt and F. B. Sederberg—yesterday expressed their appreciation for the fine cooperation extended by the voters.

Lions Join Rotarians At Lake Tahoe Meeting

Twenty-five members of the Lions Club went to Mont Blanc last night where they held a joint meeting with the Brockway Rotary Club and heard Reno and Tahoe chamber of commerce officials discuss the possibilities of a year-around recreational program at Lake Tahoe. Dr. W. W. Hall of Reno was master of ceremonies and the speakers included Fred Perley, secretary of the Lake Tahoe Chamber of Commerce, and Ray Kronmeyer, secretary of the Reno chamber.

No Rotary Meeting On Monday Next Week

The regular meeting of the local Rotary Club next Monday evening has been cancelled as the day is a legal holiday.

At last Monday night's session, Charles R. Heller spoke on the proposed Tahoe Forest Hospital. Heller is president of the hospital board of directors.

James Sherritt was program chairman and Johnny Ciardella presided. Visiting Rotarians included Steve Korich and Mike Korich of Tahoe City. Other visitors were John Richards and Ed Jenkins of Truckee and Leslie Fuson of Tahoe City.

Church Society Plans To Re-Form Sept. 7th

Mrs. Oscar Swenson announces that there will be a reorganization meeting of all interested members of the Community Methodist Church for the purpose of forming an active Women's Society of the church. The session will be held at the parsonage on Wednesday, September 7.

The church is planning a campaign to raise funds to put new siding on the edifice instead of repainting it as previously planned.

Birthdates—

Mrs. Loren Vertner and W. C. Gage observed their birthdates on Saturday, August 27, with their families.

Architect's Drawing Of Proposed New District Hospital

The above drawing was prepared by Architect George Sellon of Sacramento and is the design for the proposed new Tahoe Forest Hospital. Voters of the district Tuesday approved a \$150,000 bond issue to provide the district's share of the cost, the balance being anticipated from the federal-state matching fund. The hospital will be a modern, 12-bed unit complete in every detail.

2 Local People Injured By Cars During Weekend

Geo. Andrich, Passenger Hurt as Car Wrecks At Floriston

Two local people, George Andrich, operator of George's Cafe, and Gerald Wharton, 15, were injured in motor vehicle accidents during the past week.

The Wharton boy was injured Friday at 10 o'clock when he was struck by a car driven by Robert Basso, 26, San Martin, while riding a bicycle on the highway near his home at the east end of Donner Lake.

State Patrolman William Gautsche, who investigated, said it was indicated that the boy cut across the highway near Donner Monument in the path of the Basso car which was said to have been traveling approximately 50 miles an hour. The right rear door handle of the vehicle struck the boy and inflicted a deep gash across his hip. He was taken to Dr. L. D. Nelson who treated him and he was returned home by the Truckee Ambulance.

Basso, traveling west, skidded his tires 80 feet but could not avoid the crash, he told Gautsche. Andrich suffered a deep gash over his left eye when his car went off the highway at Floriston at 12:30 o'clock and was wrecked. A hitch hiker, Roy Love of San Jose, riding with Andrich, suffered a deep cut in his right shoulder. Both were treated by Dr. Nelson. Sgt. H. B. Fowler investigated.

Birthday Party Aug. 27 Honors Tommy Towler

Tommy Towler celebrated his eighth birthday with a party at the home of his parents, Mr. and Mrs. E. C. Towler on Saturday, August 27. Guests included 18 members of the honoree's Sunday School class. Games were played and ice cream and cake served by Mrs. Towler assisted by Mrs. D. Rylander and Ella Waters.

Snaveleys Return After Long Stay in Hawaii

Mr. and Mrs. Ralph R. Snaveley and son Russell arrived here on Tuesday after spending 21 months at Pearl Harbor, Hawaii. Snaveley is a chief torpedoman's mate in the U. S. Navy and was serving at the Naval Submarine Base at Pearl Harbor. Following a leave, he expects to be reassigned to a mainland base. Snaveley began his Navy service in June, 1940, following his graduation from Blume High School in Wapukoneta, Ohio.

While in Truckee the Snaveleys are the guests of her parents, Mr. and Mrs. P. Petroni.

Dual Date—

Mr. and Mrs. Robert Leamon celebrated their sixth wedding anniversary on Mrs. Leamon's birthday, Sunday, August 28. Twelve attended the family dinner given for the couple by Mr. and Mrs. Walter Barrett.

Three Fires Under Probe By Officials Find Evidence Indicating Incendiary Origin

Investigation is being made by Truckee forest service officers of three fires, believed of incendiary origin, which were discovered one mile east of the city dump on Saturday afternoon.

One fire was reported to the forest service, William Curran, head of the suppression crew, said, but when the equipment arrived it was discovered that two other fires, equally spaced at a distance of 500 feet, were burning.

Evidence found at the fires, Curran said, bears out the incendiary theory, and apprehension of the culprits is expected.

X-RAY UNIT HERE TODAY IS GIVING FREE CHEST TESTS

The Tuberculosis and Health Association's chest x-ray unit is stationed at the fire house this afternoon between hours of 2 and 5 and will be there this evening from 7 to 9. Everyone is urged to have a free check-up which involves only three minutes and causes no inconvenience.

FIRE DANGER IS GREAT DESPITE WEEKEND RAINS

The warm rain which fell throughout the Sierra Saturday night and Sunday brought some relief to the protracted dry weather and temporarily lessened forest fire hazards. The warm days and nights which have followed, however, have resulted in the danger of fires returning and forest service officials are warning against a relaxation of care with matches and fires in the woods.

The rain was sufficiently heavy at Lake Tahoe to flood a portion of the highway under construction between Tahoe City and Brockway and traffic over the route was halted until Sunday afternoon.

Pythian Sisters Plan Big Affair Sept. 8th

The Pythian Sisters of Summit Temple 79 are requested to make reservations with Mrs. Frank W. Gaennie for the banquet which will be held at Sarge's Coffee Shop on September 8 at 6:30 p.m. no later than September 6. The eleven candidates to be initiated that night will be the guests of the Temple at the banquet.

The afternoon session of the convention headed by DDGC Laura Gaennie will start at 2:00 o'clock. Grand Chief Harriett Blake will make her official visit on September 8.

The Thimble Club party on September 15 will be at Mrs. Don Sites' home instead of Mrs. Ray Roberts', the latter being co-hostess to the affair.

Mr. and Mrs. J. C. Wilson have bought the Guy White house on Highway 40.

Two Ball Games Slated On Local Park Sun., Mon.

Reno Radicals and Verdi Will Try for Wins Over Hillmen

The Truckee Mountaineers will entertain the Reno Radicals, an all-star independent baseball club, at the local park Sunday afternoon at 2:30 o'clock and on Monday, Labor Day, the Verdi team will come here for a contest.

The Radicals are slated to be a tough aggregation with a lot of wins to their credit and will come with a firm idea of attaching a Truckee scalp to their belt. Verdi was runnerup in the Sagebrush League, losing to Carson last week.

Both games will offer an abundance of entertainment for local and visiting fans. Business Manager R. N. Little predicts. Manager Larry Baxter will start some of the younger players in the games to get them in trim for the parts they will play next season.

LEO CARDINAL IS MARRIED SUNDAY IN CARSON CITY

A wedding of interest to many Truckee friends of the couple was solemnized by Rev. H. E. Chapin of Carson City Sunday afternoon at 3 o'clock when Miss Betty Mae Jackson of Battle Mountain, Nevada, became the bride of H. Leo Cardinal of Lovelock. Cardinal is well known here where he resided before going to Lovelock where he is employed by the Sierra Pacific Power Company.

August Esola of Truckee was best man and Mrs. Polly Eaton of Battle Mountain was matron of honor. The bride was given away by Frank Eaton.

Following the reception at Reno the couple came to Truckee to spend the night and returned to Lovelock Monday.

Mr. and Mrs. Esola and Erving Waters attended the wedding from Truckee.

Quick Action Quells Truckee Garage Fire

Prompt response by the Truckee Volunteer Fire Department to an alarm at 4:30 Tuesday morning checked a fire at the Truckee Garage which might have had serious consequences. The fire was discovered by Deputy Sheriff Fosten Wilson as he left the jail next door and smelled the smoke. It had started in an obscure outside angle of the building and was confined to that spot by the firemen.

Party for Husband—

Mrs. George F. Kamp entertained on Saturday evening at a party given in honor of her husband's birthday which occurred on the following day.

Charles Ward and C. Dimmick attended the IOOF meeting held here last Monday night.

Sun Beams by Walter M. Barrett

Thursday, September 15, will be the last day prospective voters can register for the special election on November 8 when a number of vital issues will be decided. Voters who did not cast ballots at the primary or general election last year or who have changed their residence or attained their majority must register to qualify for the November 8 election. You may register in Truckee at either the Chamber of Commerce office or at the Sierra Sun.

Approval of the two recent bond issues—one for a new district high school and the second for a hospital—indicates more than anything that has occurred in recent years the desire of the residents of this region to seek progressive measures which will increase public facilities and make the district more permanent and a better place to live and engage in business. Every year sees more and more progress in the district and with this trend, continuing nothing can stand in the way of permanent development. It is easy to visualize a great future for this entire region with the residents unified in supporting improvements.

Your Truckee chamber of commerce meets every Monday at noon. If you have any suggestions which might aid the directors and officers in improving local conditions through community endeavor, you are invited to present the idea.

\$40,000 SET UP FOR STREAM PROJECTS IN THIS REGION

SACRAMENTO (W. N. S.)—The California Wildlife Conservation board this week allocated \$40,000 for stream flow maintenance in the Tahoe National Forest.

The area includes portions of Nevada County and the upper Truckee River in El Dorado County. Seth Gordon, the board's conservation expert, said that the funds recommended will initiate the stream flow control program in that area and will also complete some essential work.

Surveys Here to Study Local School Projects

Harold Weaver and Norman Andrig have arrived here to survey the elementary school grounds preparatory to the installation of a protective fence to surround the grounds.

At the same time they will make a survey at the site for the new high school so that excavating can be started this fall and building commenced early next year.

Women's Convention at Homewood on Sept. 29

A state meeting of the Federated Women's Clubs will be held at Homewood on Thursday, September 29, with the Women's Club of Tahoe as hostess club for the event.

Mrs. E. K. Lange of Colusa, northern district president of the California Federation of Women's Clubs, and Mrs. Jay T. Cooper of San Francisco, state president of the organization, will be the principal speakers.

All members are urged to attend.

Dr. Nelson to Speak At Wyethia Meeting

Dr. L. D. Nelson will be the speaker at the meeting of the Wyethia Women's Club to be held in the club edifice on Friday, September 2, at 8 p.m. His timely subject will be infantile paralysis.

Tea hostesses for the evening will be Mesdames E. L. Loynd, E. C. Bavier, Barney Phipps and J. Dumas.

Mr. and Mrs. R. N. Little have been vacationing at Euer Valley this week.

Four Held After Truckee Store Is Burglarized

Bail Set at \$1,000 Each At Arraignment Here Today

Fast and effective police work by Constable N. F. Dolley and Deputy Sheriff Fosten Wilson this week resulted in the arrest of a group of youthful suspects just a few hours after Cabona's store was broken into and burglarized some time early Monday morning. A fifth man is being sought and faces charges of statutory rape.

The four suspects, all arrested in Watsonville following a teletype sent from Truckee giving their descriptions, are King Montgomery, 18, a former Truckee resident; Allen Kendall, 25; Gerald Gospodnitich, 21, and Robert Rudell, 19. Two teen-aged Truckee girls, who, Dolley said, may have been involved, were also taken into custody, one of them at her home here and the other at Watsonville.

The men were returned to Truckee by Sheriff R. W. Hoskins and Deputy Percy Watters and arraigned on felony charges today before Justice of the Peace R. N. Little today. Bail was fixed at \$1,000 each. The preliminary hearing will be held here next week.

Watsonville authorities said the loot taken from the Cabona store was recovered. This included two guns, a .32 automatic and a .38 calibre revolver, together with ammunition, several pairs of boots and shoes, 15 sport shirts, coats and other articles and \$35 in cash. The stolen merchandise was returned by Sheriff Hoskins.

Entrance to the store was gained by breaking a rear window.

Montgomery was allegedly involved in a previous robbery here, Dolley said, but the charges were dropped when the loot was replaced.

One of the girls with the four men Sunday night was taken into custody by Probation Officer Thomas Barrett, who was called into the case Monday. She was taken to the detention home at Nevada City and assisted in identifying the others. The second girl was returned yesterday by Barrett.

Mrs. Ametta Cabona signed the burglary warrant.

LAST RITES FOR LELAND LAITY HELD MONDAY

Funeral services were held on Monday for Leland Laity, 39, former well known Truckee resident, who died at a San Francisco hospital Saturday afternoon at 3 o'clock following a long illness.

Laity was a son of Mrs. Viola Laity and the late Harold Laity, long time residents of Truckee who left here in 1946 for Mill Valley where they made their home. Harold Laity died a year ago.

The deceased leaves his mother, Mrs. R. P. Bick, a close friend of the family, went to Mill Valley and is staying for a few days with Mrs. Laity.

Hobart Man Escapes In Highway Mishap

Albert Langham, Hobart Mills, escaped injury Monday shortly after noon when the car he was driving rolled over near the Hobart railroad crossing. He was cited for reckless driving by State Patrolman William Gautsche who investigated.

Donald Kuhn, San Francisco, received a speed ticket Sunday morning at 2:15 o'clock after his car crashed into the guard rail at Hirschdale and was wrecked. Gautsche investigated.

Harvey Hocker Inducted As 20-30 Club Member

Harvey Hocker was inducted as a new member of the Truckee 20-30 Club at their regular meeting Wednesday evening at Cozzi's. Guests were Charles Weisker, George Melody and William Curran of the USFS, Harley Lusher and Bob Bowers of the Reno 20-30 Club.

Bill Waters will be the delegate from the local club to the yearly convention to be held at Santa Cruz beginning September 6.

Visitors at the E. L. Loynd home last week were Mrs. E. E. Noyes, sister of Mrs. Loynd; Miss Blanche Noyes, Mr. and Mrs. Harold Kieffer and twins Stan and Sue, Mr. and Mrs. Elmer Christian and Miss Peggy Wolfe, all of Oakland.

Business Visitor—B. C. Findley of Temple City was a Truckee visitor last Thursday.

North Tahoe

by T. BURROUGHS

To find news at the North End of Lake Tahoe at this time of the year is a tough job. Being my own janitor, I'm kept pretty busy at home so all I know is what I here—this I gladly pass on to you.

Kings Beach PTA President Mrs. Earl Van Uden is happy to announce that the Well Baby Conference is a success and will continue to operate through the winter months. Dr. John A. Keys is the physician in charge, the nurse assisting him is Mrs. Virginia Mason of Silver Sands resort. All mothers of children from birth to six years of age are urged to bring these little tots and take advantage of the services offered. Physical examination and immunization against communicable diseases are available for your child. Advice and counsel on many phases of children's problems will be given to

parents. Next Well Baby Conference will be conducted September 30 in the offices of Dr. Keys at Tahoe Vista at 1 p.m. Members of Kings Beach and Tahoe Lake PTA's will be on hand to assist.

First regular fall meeting of the Kings Beach PTA will be called to order by its president at 8 p.m. September 15 in the Kings Beach School. "Let us all be in attendance and work together for the benefit of the children in our school," urges Mrs. Van Uden.

Dr. John Keys of Tahoe Vista performed the successful operation for the well being of Mrs. Clara Van Hooser whose condition was critical. Mrs. Van Hooser was taken to the Carson City hospital about two weeks ago. Blood transfusions were necessary both before and after surgery. Mrs. Virginia Mason gave the first pint of blood. Mrs. Van Hooser is now at home.

The Earl Van Udens expect their son, Larry, home this week end after spending the summer

with his grandparents at Westminister. Larry did pretty well on his first vacation away from Mom and Dad. He'll be sorry, though, that he missed that lovely birthday celebration in honor of his little sister, Doris, who was eight years old on the 10th of August. For this gala event Ellen Tarleton baked one of her famous Pink Lamb Cakes. For the benefit of those who have not been privileged to see this specialty of Ellen's, the cake is made in a huge lambkin mold and decorated as no one but Ellen can. Twenty children saw, admired and ate this beautiful little lambkin which was served with ice cream.

Mrs. A. E. Abbott received a thrilling letter from the "Flying Ace" this week. He tells fish stories (true ones) that would make any fisherman want to fly to Alaska. Think of it, on his most recent adventure, by plane, he and a friend flew from Anchorage to a lake sixty miles distant and were back at their base of operation in two and a half hours with 25 fourteen inch trout for Ace. Didn't say how many the other fellow caught. Ace says that flying is the everyday mode of travel up there. If you want to go hunting or fishing, take a plane. Sounds wonderful.

Dot O'Brien was down San Francisco way again last week. En route she stopped off to see her parents Mr. and Mrs. C. A. Arnold of Alameda. Her father is none too well and Dorothy likes to keep in touch with him.

Ruby Clackett of Benicia, spending the summer at Tahoe, has as her guest Miss Donna Mayne, also of Benicia.

Mae Meisenheimer visited overnight with her sister Blanche Farie of Minden last Monday. Patsy and Betty, Mae's daughters, decided to spend the week there.

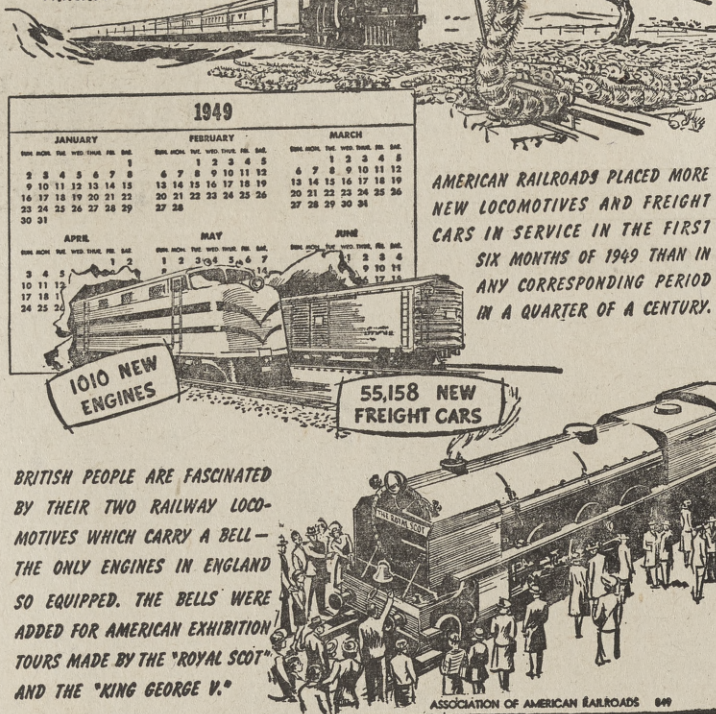

Mr. and Mrs. Carroll Rapier of Tahoe Vista have had as their guest for past six weeks Mrs. Grace Thomason of Huntington Park.

Peggy Jones is happy that Tex is to come home today. He has been in the veterans hospital in Reno for about two weeks. Glad you're so much improved, Tex. You can't keep a good fellow down.

Another example to prove it is young Boru O'Brien. His dad came down to pick up those crutches that I no longer need, saying that Boru had gotten under a motorcycle in operation and needed walking assistance for a while. But not Boru—at least not for long. I hear he has discarded those sticks already.

Rail oddities

RECENTLY A CRACK TRANS-CONTINENTAL TRAIN WAS STALLED FOR TWO HOURS BECAUSE OF CATERPILLARS ON THE TRACKS.

AIR FORCE SQUADRON MAPS

HUGE AREA OF ARCTIC WASTES

The formidable peaks of Mt. McKinley and adjacent wild terrain in Alaska mountain ranges which for years have defied exploration fall easy prey to the probing cameras of the U. S. Air Force 72nd Photo Reconnaissance Squadron. Mt. McKinley, highest mountain on the North American continent, as it soars to 20,300 feet, is a familiar sight to the crews of the B-29's of the Squadron that travel back and forth over such areas to make overlapping photographs for much needed charts.

More than 260,000 square miles of Alaskan terrain has been photographed by the Squadron since its arrival in Alaska in 1946.

Here S/Sgt. R. H. McLeod, Seattle, Washington, passes E-17 camera to T/Sgt. Lewis White, Salado, Texas. Magazines on cart (right) are fixed into position atop cameras after they are mounted. Each carries a 200-foot roll of film and rolls are easily changed in flight. As many as 30 loaded magazines are used on one mission. (U. S. Air Force Photo.)

Distinguished guests now enjoying Tahoe beauties are A. J. de la Mare, his wife and three small daughters. Mr. de la Mare is the British Consul General. This is their second consecutive summer vacationing at North Tahoe.

Ira Blair of Blair's Cottages in Kings Beach was taken to the Carson City hospital August 31. We sincerely hope you will be

back home soon, Ira, feeling better than ever.

Brockway Rotary Club entertained the Lions Club of Truckee at Ambrose Furrer's Mont Blanc Wednesday evening, August 31. The annual buck stew will be served at Mont Blanc September 24 but more about this later.

Nine-year-old Becky Canoles will return to her home in Au-

Efforts to Improve Fishing in Tahoe Cited to Rotarians

HOMEWOOD—Allan F. Politt, superintendent of the state's fish hatcheries at Lake Tahoe, was the speaker at Tuesday's luncheon meeting of the Tahoe City Rotary Club. Politt gave an interesting and instructive talk on fish culture and conservation and outlined plans of the fish and game commission for improving fishing conditions at Lake Tahoe through a five-year planting program.

There were 52 present at the meeting, including 25 guests.

The club meets regularly each Tuesday at noon at Homewood Resort and out-of-town Rotarians are invited to attend.

Subscribe to the Sierra Sun!

burn this weekend after a two months stay with the O'Briens of Kings Beach.

Seventy-three votes were cast in the Kings Beach precinct on the hospital bond question—52 in favor and 21 against the issue.

Utility District Bond issue election will come up for a vote on September 23.

Lopes' Guests—

Guests at the M. A. Lopes summer home in Timberland Tract for two week were Mr. and Mrs. W. Davies and children Susan and Robert and Mrs. Davies' mother, Mrs. Ethel Whitcomb. Mr. and Mrs. Melvin Lopes accompanied them. All are residents of San Leandro.

New Pickup—

Recent deliveries reported by Wittich Motors, Colfax Ford dealers, included a pickup to Joseph Regenber of Tahoe City.

There isn't always room for one more

Aboriginal Annie has reached the height of her social career—if those neck ringlets mean anything. There just isn't "room for just one more."

And likewise, a good many of today's homes—even the new ones—have reached the height of their electrical careers, simply because they are so inadequately wired. There just isn't room for one more electrical appliance without overloading the circuits and blowing fuses.

If you plan to build or modernize your home, insist on Adequate Wiring to guarantee yourself maximum comfort and convenience in this era of electrical living.

To insure peak operating efficiency of all your appliances, "Adequate Wiring" requires:

- enough switches
- enough electric outlets
- enough circuits
- heavy enough wire throughout

Tell your architect or building contractor you want Certified Adequate Wiring.

Decline in Polio Seen By State Official; 5 Cases In This County

SACRAMENTO — (W. N. S.)— Polio cases reported in California last week totaled 119, the state department of public health announced Monday.

Counties reporting cases and the number in the county for the week follow:

Alameda 9, Contra Costa 1, Fresno 5, Glenn 1, Humboldt 2, Kern 1, Kings 1, Los Angeles 52, Marin 1, Napa 2, Nevada 5, Orange 3, Plumas 1, Riverside 1, Sacramento 1, San Bernardino 3, San Diego 11, San Francisco 1, Santa Clara 4, Santa Barbara 2, Santa Clara 7, Solano 1, Sonoma 1, Tulare 1, Ventura 1 and one case reported was not allocated to any county.

Other communicable diseases, the department report shows, were at a minimum, with only 235 cases of mumps, 119 of whooping cough, 87 of chickenpox and 68 of measles for the entire state.

Dr. Walter Halverson, state director of public health, told

White House Architects Design Squaw Valley; Other Sidelights Cited

A clipping from a Los Angeles newspaper received by John Franklin of the Truckee River district, gives some interesting sidelights on the founding of Squaw Valley as a leading winter resort area and its founder, Alexander Cochran Cushing.

For instance it reveals that the Long Islander decided to abandon his flourishing law practice a year ago but at the time was unaware he would within a year be developing Squaw Valley.

It all came about, the columnist declares, when the Cushings were on a skiing trip and discovered the possibilities and Cushing decided after a visit to the valley to open a ski resort himself. He formed a company and work was started with a number of prominent stockholders sharing the costs.

Following the plans of Architects Delano and Aldrich, who also designed the alterations of the White House, contractors are now engaged in erecting a huge lodge, a restaurant and bar and other appointments.

The Cushings plan, the article states, to spend six months of the year at their Squaw Valley home and the other six months of the year at Westbury.

Percentage of Doctors
The ratio of doctors and population has changed greatly. In 1850, there was one doctor for every 572 persons. Today, there is only one doctor for every 764 persons.

members of Governor Warren's council that he expects the number of polio cases in California to start down this month.

The health director attributed the large number of cases in this state to the increase in population from other states. He said these residents come from states where polio is not prevalent and therefore they are not immunized.

"For every case of polio isolated," he declared, "there are 100 cases which nobody knows about. These cases leave no ill effects but they do have some immunization value."

Tahoeites Help Prepare Back Country Lakes For Improved Fishing

The first steps to restore two Sierra lakes to trout fishing were taken August 20 and 21 when Miller Lake, Placer County, and Richardson Lake, El Dorado County, were chemically treated to remove rough fish populations, according to Allan F. Pollitt of the state fish hatchery at Tahoe City.

The venture was planned and directed by personnel of the bureau of fish conservation and was made possible by the cooperation of sportsmen. Several boats and other equipment were secured through Carl Bechdolt Jr. and other aid was received from Ed Davis and Jack English of Kings Beach.

The chemical used affects the fishes' gills, preventing the transfer of oxygen from the water to the fishes' blood. Thus the fish actually dies of suffocation. The fish killed are edible and the treated water is not harmful to lung breathing animals.

The purpose of such a program is to rid the lake of excessive populations of rough fish such as chubs and suckers. These fish seriously compete with the fingerling trout for food with the final result that the trout disappear and the lake is lost to sports fishing.

In the case of Richardson Lake, only two trout were recovered. One large brown trout was found in Miller Lake. These rough fish were not native to the lakes and were undoubtedly introduced by careless and unsportsmanlike fishermen in violation of fish and game laws, Pollitt said.

These lakes will be replanted with trout in the 1950 planting season and should produce good fishing by 1951.

Other lakes will be treated in the same manner as the need is discovered by biological surveys or is called to the district biologist's attention by interested fishermen.

CHICAGO WOMAN DIES CROSSING SUMMIT

Mrs. Amelia Bonner, 55, of Chicago suffered a fatal heart attack as she was crossing Donner Summit on August 22. She was a member of a party en route to San Francisco by bus to attend a convention and had complained of feeling ill at Omaha and Cheyenne.

She was taken to an Auburn hospital but was pronounced dead on arrival.

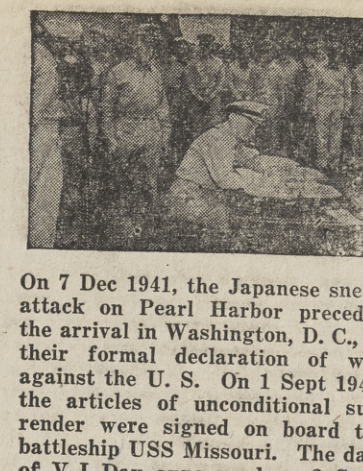

Mrs. Ruth Sach Passes Sunday in Hospital; Was Tahoe Resident

RENO— Mrs. Ruth Elizabeth Sach, a resident of Tahoe City, died Sunday in a local hospital where she had been a patient for nearly two months.

She was a native of Philadelphia, Pa., and was the wife of Denis Sach of Tahoe City. In addition to her husband, she is survived by two sons, Denis Jr. and Robert also of Tahoe City.

Her body was accompanied to Sacramento for cremation following funeral services in Reno on Tuesday afternoon.

Cement Strength
Seven-day strengths of concrete made from present-day portland cements are higher than the 28-day strengths for the 1916-1920 cements.

On 7 Dec 1941, the Japanese sneak attack on Pearl Harbor preceded the arrival in Washington, D. C., of their formal declaration of war against the U. S. On 1 Sept 1945, the articles of unconditional surrender were signed on board the battleship USS Missouri. The date of V-J Day announced as 2 Sept.

Pioneers' Trail Recalled At Society Meeting In Home Near Rainbow

The marking of the old Emigrant Trail over the Sierra was the topic of Bert Wiley, state department of beaches and parks official, who spoke before a meeting of the Placer County Historical Society at Rainbow last week.

Wiley stated that survey work on the project is now underway between Donner Monument and Crystal Springs.

Mrs. Guy Gilchrist of Auburn also spoke on the history of covered wagon parties previous to the Donner Party.

Society members attending had an opportunity to view the old trail which passes near the Jensen summer home where the meeting was held.

The ship that helps create jobs in Alaska

From Ketchikan on up the coast... in dozens of towns and cities in Alaska... people greet the tanker "M.S. Alaska Standard" with considerable affection. For, over the years, she's helped Alaskans develop thousands of jobs.

Regularly she loads a full cargo of petroleum products and takes them wherever they're needed... like some giant floating service station. She pokes her prow into rocky inlets to serve fish canneries, goes on up the coast a few miles to bring a new mine the lubricants it needs to work, stocks oil for fishermen so they no longer have to travel six or seven hundred miles to refuel when the salmon run is on.

In short, she helps both the coast and interior of Alaska develop its resources... just as the oil industry throughout all our country helps other industries grow and people work, produce and prosper.

DAV Returns Lost Keys to Truckee Man Thru Special Identio-Tag

The Disabled American Veterans has returned a set of lost keys to E. S. Crandall of Hilltop Lodge in Truckee.

Attached to the keys was a DAV Identio-Tag, miniature license tag for key rings, which is distributed to 30,000,000 motorists each year and the replica of their state license plates enables the DAV to return 5,000 keys a month from its national headquarters in Cincinnati.

In addition to key-loss insurance, the Identio-Tag through contributions, enables the DAV to maintain its free rehabilitation service for disabled veterans and their dependents.

Last year the DAV obtained more than \$18,000,000 in benefits for disabled veterans and their families. The organization has the largest staff of national service officers of any veterans organization.

Keys are returned to owners from all over the world. One of the most unusual key losses and returns saw a Cincinnati grainery employee lose his set in a sack of oats. The keys were found

when the sack was opened aboard a freighter in the English Channel en route to Poland and they made their way back via the DAV. Tags even brought back keys from the war zones.

For the motorists who wish extra Identio-Tags for extra sets of keys, the DAV has established a special order department which handles more than 100,000 requests each year.

The DAV Identio-Tag plant is owned and operated by the DAV in the interests of disabled veterans and employs disabled veterans in their manufacture.

Rain at Tahoe Leaves .74 of Inch Precip

TAHOE CITY— The level of Lake Tahoe on Monday morning stood at 6224.37 with 250 CSF of water leaving the gates in town. Precipitation for the week was .74 of an inch from rain on Sunday. Coldest day of the past week was on the 25th with 36 degrees and warmest was on the 26th with 77 registered.

Tahoe Letter

FROM SWANEE

Tahoe City, August 29
Dear Tahoeites:-
Attention has been called to an incident which occurred on Friday evening, August 26, in the Tahoe Pines district. Horseplay, which could have resulted in serious injury to four persons was indulged in by some younger citizens in a rowboat and an outboard. A

report was made of the antics of the quartet to the Coast Guard at Chambers' and Lieut. Lynch of San Francisco and Commander Lyon of Cave Rock investigated. Seems the children in the row boat encouraged the operator of the outboard to pursue them and enjoyed riding the wake until things became a bit out and then they became frightened, heading their small boat for shore. The outboard reportedly stalled and then backed toward the rowboat. The entire incident was intended only as "fun" but had the boats overturned or collided the story might have had a different ending. No action was taken against the boys as parents refused to sign a complaint. The Coast Guard again warns operators of boats, whether grownups or children, to use every precaution to observe all rules and regulations for safety. A printed handbook of motor boat regulations is available at any of the four Coast Guard stations at the lake. Am glad to report that one of Tahoe's favorite sons, Lt. (jg) James Easton, grandson of Captain and Mrs. John Kvistberg of Tahoe Park, is home again and enjoying a well deserved vacation

Official NME Photo

FOR THE FIRST TIME in the history of the armed services, colors of the Army, Navy, Marine Corps, and Air Force, with the women's branches included, are massed at the Pentagon Building, Washington, D. C., headquarters of the National Military Establishment.

completed this fall.

Lt. Lyman William Griswold Jr. and his wife Pat left the home of her parents, the A. M. Henrys, in Tahoe City where they have been visiting from their home in Massachusetts, on Saturday last for a leisurely trip of several weeks which will be spent visiting Yellowstone and Canada, en route to their eastern home. Lt. Griswold, recently assigned to the Berlin airlift, has returned to the United States when the airlift was recently deactivated. He will be assigned to a base close to his home from now on and will make trips between Europe and this country. The pair took along sleeping bags and will spend much of their time camping out.

Sincere congratulations and best wishes were extended Henry Soll of Tahoe Pines on Thursday, August 25, the occasion of his 72nd birthday. He suffered a sick spell a few weeks back but is now reported in his usual good health once more.

Had a cheery note last week from Mrs. Bliss Hinkle in San Francisco who writes that she has not yet recovered her good health but hopes to be back in her Tahoe City home in the very near future, where she hopes the mountain air and sunshine will hasten her recovery. Among recent guests down to see her were Pat Griswold, Alice Sigurdson and Edna Lardner.

Wind this letter up on Tuesday morning and deeply regret I will not be able to attend the funeral of Mrs. Denis Sach, wife of one of Tahoe City's prominent businessmen, who passed away in Reno on Sunday morning, following weeks of serious illness. She received more than ten transfusions during her illness and was placed in an oxygen tent when her condition became critical. She leaves her husband and two sons, Denis Jr. and Robert and a host of neighbors and friends who remember her as a good neighbor, always helpful and pleasant. Deepest sympathy is extended her bereaved family. See you next week. Best wishes to all, as ever. Swanee

Drawing in the Dark Contest Is Feature Of Shower at Tahoe

TAHOE CITY—The Tahoe City home of Mrs. Charles Spalding was the setting for a surprise pink and blue shower on Friday evening at 7:30 for Mrs. Colleen Martin.

Guests were given paper and pencils and the lights were turned out. They then were told to draw, in the dark, a picture of a baby's bathtub, with the baby in it holding a duck in one hand. The best artist proved to be Mrs. Izola Porter, who received an award, and Joanne Windsor of the Tahoe City telephone office, who rated consolation.

Many beautiful gifts were unwrapped by the honoree, this pleasant task being followed by the serving of cakes, ice cream and coffee.

Guests invited included Ruth Fuson, Izola Porter, Katherine Petersen, Marilyn Dean, Marie Henry, Jean Henry, Viola Petric, Mrs. Floyd Fuson, Myrtle Collard, Joanne Windsor, Betty Secker, Mignon Gallup, Fleurette Rosenblatt, Myra Lee Pollitt, Mrs. Allan Pollitt, Bobbit Holt, Eleanor Swanson, Ria Ferris, Peggie Dempsey, Jean Hyder, Carolyn Henrikson, all of Tahoe, and Miriam Zwarg of Truckee. Mesdames Spalding, Fuson and Dot Dempsey were hostesses.

Tahoeites to Valley—

Mr. and Mrs. B. T. Kehoe Sr., who have been spending the summer at Tahoe City, have returned to their Lodi home.

Tri - County Women Hold Truckee Meet On Monday This Week

Mrs. Byron Brock of Nevada City, Tri-County president of the Federated Women's Clubs, presided at a meeting of the executive board held in Truckee Monday, August 29, following a luncheon at Sarge's. Thirty-five attended the quarterly session and clubs were represented from Cool, Lincoln, Loomis, Nevada City, Roseville, Placerville, Tahoe and Truckee.

By-laws were discussed and members were urged to register and vote at elections. Contributions were asked for the hostess house at Yountville where relatives of ill veterans may stay while visiting the hospital. It was also announced the federation has a program to sponsor girls for nurse's training and to pay for this training.

The next quarterly meet will be held at Loomis in January.

Other Tri-County officers present on Monday included Mrs. Delbert Niegel, first vice president, of Cool; Mrs. Mae Herald, second vice president, of Lincoln; Mrs. Beatrice Butcher, secretary, of Nevada City; Mrs. Marguerite Webb, treasurer, of Loomis; Mrs. S. W. Laird, auditor, of Loomis. Four club presidents attending were Mrs. Brock, Nevada City; Mrs. Leslie E. Nielsen, Placer-

ville; Mrs. Jeannette Mitchell, Tahoe, and Mrs. Vivian Gregory, Truckee. Mrs. G. P. Friday, treasurer of the northern district, Federation of Women's Clubs, was on hand also.

Women's Club of Tahoe Imogene Fund at \$187

TAHOE CITY—Mrs. Everett O'Rourke, chairman of the Imogene Wittsche Fund sponsored by the Women's Club of Tahoe, reports that a total of \$187.03 has been collected for the little Roseville girl up to Monday this week. A check for this amount and any other donations which may arrive in the mail will be sent to her at Washoe Medical Center in Reno where she is recovering from the speedboat accident which robbed her of both feet while swimming near the south end of Lake Tahoe earlier this summer.

Squaw Valley Project Topic at Meeting of Lake Tahoe Ski Club

TAHOE CITY—Members of the Lake Tahoe Ski Club met in Tahoe community hall on Friday night with President G. D. Waters in charge. Special guests of the evening were Mr. and Mrs. Wayne Poulsen and Dave Fritsch, all of the Squaw Valley Development Company. Much valuable information was given by the guests to ski club members on the progress being made at the west's newest skiing resort and data of interest on the Far West Ski Association was given by Poulsen, who has long been a member and officer.

Mrs. G. D. Waters and Mrs. Alleen Brownstone served doughnuts and coffee at the conclusion of the meeting.

90th STATE FAIR OPENS TODAY AT SACRAMENTO

CALIFORNIA CORNUCOPIA—Lovely Joan Harlow, with the great seal of the State of California in the background, calls attention to the agricultural treasures of California which have produced more millions than the Mother Lode. The whole array of the State's crisp vegetables, luscious fruits and rainbow blooms will be shown in profusion at the California State Fair in Sacramento from September 1 through September 11.

SACRAMENTO—(W.N.S.)—California's 90th State Fair opens here Thursday with all the color, pageantry and ballyhoo reserved for the annual fall show of the state's resources.

The exposition this year will give the public eleven eventful days of events which will feature horse racing, a nightly horse show, exhibits from major California counties and a night show with stage and screen stars.

Among the activities of the first day are the celebration of Glenn County Day and Fashion

Industries Day, a gold panning contest, a luncheon for 100 firms which are the oldest in California operation, a concert by the 561st California National Guard band of San Francisco, a reception for floriculturists and a demonstration of undersea diving by the U.S. Navy.

Feature running race on the program for the opening day will be the inaugural handicap, with \$3,500 added, to which will be added six additional running races and three harness races. The fair this year plans an exhibition of high school horses each evening at the horse show. A pyrotechnical display will be held to usher in the evening show at the grand stand each evening.

The fair this year plans another evening feature, a fashion show in the open air theater, at which 20 beautiful girls will model.

With nearly 4,500 purebred animals from California and six other states, one of the greatest aggregations of livestock ever assembled in the west will be exhibited in every nook and corner of the barns and additional quarters constructed to shelter the overflow entries. An increase of 30 per cent over last year sets a new high for the exposition.

The home economics entries are more than treble those of previous years to give the State Fair this year an extraordinary show in the Woman's Building. Needlework, handcraft, canned fruits, jams, jellies, baked goods, pickles and relishes will flood the entire first floor of the building.

In the open air Art Show with gaily-colored canopy, unique installations and gigantic beds of flowers, the largest display of oils, water colors, and sculpture ever presented to the fair-going public will be one of the highlights of the fair.

A "little theater" located on the mezzanine of the Agriculture Building has been constructed to provide facilities for foreign nations to show films portraying scenes from several nations. The showing of pictures from Great Britain, Norway, Switzerland, France, Mexico, the Philippines and the Island of Malta, represents the largest display of foreign countries ever held at the fair.

More than 800 horses will be on hand to give racing fans a well-balanced program with three harness and seven running races daily and five harness races without wagering on Sundays.

Thirty bands and drill teams have been scheduled to give entertainment throughout the grounds every day of the fair. "The Golden Melody Parade of 1949", one of the best night entertainment spectacles ever presented, will feature Ted Lewis with his entire company, Frances Langford, Stanley Noonan, Lola Montes and Company, Weire Brothers, Rufe Davis and Jan Rubini.

Plan Water Improvement At Bliss State Park

SACRAMENTO—(W.N.S.)—The state department of public works this week awarded an \$18,964 contract to Ferguson Brothers of Oakland for improvements to the water system at D. L. Bliss State Park on Lake Tahoe.

Head South—The J. R. French family of Tahoe left for Long Beach this week.

Guest of Parents—Mrs. Dorothy Trapp of Sacramento spent last week at the Tahoe City home of her parents, Mr. and Mrs. Charles Spalding.

One Central Authority For Lake Tahoe Area Is Summerfield Plan

A central, unified authority to administer the civic needs of Lake Tahoe has been proposed by Lester D. Summerfield, Reno and Lake Tahoe resident for many years.

Summerfield brought forth his suggestion following the recent bi-state conference held at Tahoe on the many problems of the lake area.

The legislatures of Nevada and California should, by appropriate legislation, set up an authority embracing the Lake Tahoe area with specific and limited powers to enforce police, fire and sanitary regulation and any other powers that might from time to time be delegated to such authority, he advocates. That authority should also be authorized to levy taxes within fixed limits to meet the expenses involved in carrying out such a program.

Under the Summerfield plan, a commission would be appointed and a full-time paid manager, similar to a city manager, would be named as administrator.

He cited the following advantages which could be realized if the plan is adopted:

1. A police department functioning around the entire lake, both motorized and with a launch on the water.

2. A fire department, also both motorized and with a fire tug on the water.

3. Uniform sanitary regulations strictly enforced to remedy conditions that are rapidly getting out of hand.

"If such an authority is established and adequately financed, Lake Tahoe and its watershed will be preserved in all its beauty and glory for generations to come," Summerfield declared. "Otherwise, in my humble opinion, it will ultimately become merely an unsanitary Coney Island honkey-tonk in the mountains."

Wedding on Saturday In Chapel At Tahoe

John Ritchie Dunn III of San Francisco claimed as his bride Jean Mary MacLachlan of Oakland in a ceremony at Corpus Christi Chapel near Tahoe City on Saturday. The bride's attendant was Loretta Cox, a former school mate, and Robert Jensen was best man. Gordon MacLachlan gave his daughter in marriage and Gordon MacLachlan Jr. served as usher. Rev. J. Boland of Truckee officiated.

At the altar white gladioli and stock were combined with pink carnations and the aisle pews were marked with white stock, tapers and satin ribbons. Pine boughs, white pine cones and mountain daisies were used to decorate the MacLachlan home on Carnelian Bay, where the reception was held.

Attend Fair—Mr. and Mrs. Charles Spalding of Tahoe City motored to Susanville on Saturday where they were guests of Mr. and Mrs. Albert Noak. While there they witnessed the big parade and Susanville Fair on Sunday, returning to the lake Sunday night.

Fulton Lewis Scheduled Speaker at Meeting At Globin's Sept. 9-11

J. Fulton Lewis, nationally-known news analyst, will speak at one of the main sessions of the Western Employers Conference at Globin's Al Tahoe September 9, 10 and 11. His topic will be "Behind the Top of the News from Washington."

In addition to Lewis, there will be other prominent speakers including Lt. Gov. Goodwin Knight of California who will address the luncheon session Saturday, September 10.

The program will be built around the interest of employers in their relations with government lawmakers, administrators and judiciary, both on the state and national levels.

Attending the Lake Tahoe conference, sponsored by the California Association of Employers, will be businessmen and association leaders from all parts of the west including Reno, Seattle, Salt Lake City, Denver, Phoenix, Los Angeles, San Diego, Portland and San Francisco, along with others in the western area.

Rubicon River Produces—

Rubicon River, in El Dorado County, continues to provide nice catches of rainbow trout, reports the National Automobile Club. Comparatively few anglers have fished this stream during the past two weeks.

Schlueter Host Party For Anniversaries

TAHOE PARK—Mr. and Mrs. Theodore Schlueter of Tahoe Park Sunday entertained two out-of-town anniversary couples and other friends on their patio where cake, ice cream and coffee were served. Mr. and Mrs. Carl Fieds of Burbank observed their 25th wedding anniversary and Mr. and Mrs. George Taylor of San Francisco celebrated their 37th. Other guests who shared the jolly occasion included Pearl and Earl Tanger and Carol Lewis of Santa Monica.

Now honeymooning at Schlueter's are Mr. and Mrs. Edward Raines of Oakland who were married in the bay area last weekend.

LETTERS

to the editor

BEREAVED PARENTS ARE
GRATEFUL FOR HELP
Sierra Sun, Truckee, Calif.
Gentlemen:-

May I use the means of your newspaper to express my deep and sincere appreciation to the Nevada County Sheriff's Posse and to the Big Chief Lodge Ranger Station for their assistance throughout the evening and night in the futile search for my son, Phillip Charles Edwards, age 5 years 4 months, who was drowned in the Truckee River on the evening of August 11th at approximately 6:00 P.M.

It was a great and humanitarian service extended to Mrs. Edwards and myself through the cooperation and assistance of all these ladies and gentlemen who assisted in the night long search. I do not know the names nor addresses of the large number who participated. I owe special thanks and appreciation to Mr. Lloyd Van Sickle of Truckee and to Constable N. F. Dolley. These gentlemen assisted in an all night search of the river and adjacent area and it was Mr. Van Sickle who, with the assistance of his dogs, had the unfortunate experience of locating my boy's body at approximately 8:00 A.M. the morning of August 12th. Mrs. Edwards and I wish that it were possible to personally thank each and every one who participated in the search; however, that is impossible.

We do wish, however, to thank you and your newspaper for assisting us in carrying our thanks to the attention of the aforementioned people.

Yours very truly,
R. J. EDWARDS
Burlingame, Calif.

Nevada County Tax Base Raised 37 Per Cent

Nevada County's assessed valuation of taxable property of \$24,211,930 for 1949-50 is an increase of five per cent over the \$23,178,700 taxable valuation of property in the county for 1948-49 and of 37 per cent over the pre-war valuation of \$17,683,425 for 1940-41, California Taxpayers' Association reports.

Placer County was listed among the counties having an increase over 1948-49 of between 10 and 20 per cent.

FAMILIAR SIGHT to sailors traveling the Mediterranean route is the 1,400-foot high Rock of Gibraltar. British, concerned over the declining number of apes at the famed straits fortress, are reinforcing the garrison with replacements from Africa. The legend, of which the British are very conscious, is that "when the apes go, the British go, too." American sailors are pictured chatting with Royal Air Force men on air strip at base of the world's most famous rock.

Official U. S. Navy Photo

CHAIRMAN— Guy George Gabrielson, New Jersey lawyer and businessman, recently named chairman of the Republican National Committee.

Navy Men Trying New Salvage Methods to Raise Dollar's Racer

TAHOE CITY— Latest word on the attempted resurrection of the 7,000 pound racing boat, Skip-A-Long, owned by R. Stanley Dollar Jr. of Lake Tahoe and San Francisco, is hopeful but not necessarily optimistic.

Dollar and his top mechanic, Ollie Meek, were in the bay region last weekend and received an offer of assistance from a five-man Navy team which volunteered to try their hand at the difficult task. Three divers, a radio man and an air compressor operator are at present trying out a new method of locating and getting a line on the boat, nestled in 468 feet of water about half a mile from the shore in the Tahoe Pines area.

The latest method to be tried by the Navy men is to block off the area in which the craft is known to lie into squares. Special dragging equipment has been devised and square by square the depths are being plumbed in an effort to locate the craft and to get a line on her. On Friday of last week a line was secured on some object in the vicinity of the boat but on Sunday it was found to be only a rock and not the hull of the racer.

On Sunday, the divers descended to a depth of about 200 feet, testing the water. They found it dark, as the day was cloudy, and the water cold but suffered no ill effects. They do not plan to attempt to reach the boat itself in deep water but do hope to be in position at a later moment when and if the boat is hooked by cable to descend part way and secure regular cables to the hull when she has been lifted to a reachable position.

Efforts will continue to use every device conceivable to salvage the valuable Skip-A-Long by Dollar and his crew.

Truckee Region Cited to Nature Lovers For Autumn Coloring

Calling attention of nature lovers to the beauties of the Autumn season throughout California, the California State Chamber of Commerce has issued a booklet entitled 1949 Autumn Coloring Bulletin. The pamphlet, prepared by J. E. Carpenter, director of the travel and recreation department, lists several suggested tours where the autumn coloring of vegetation is to be seen to the best advantage.

Among those in this vicinity are around Webber Lake and along the highway from Truckee to the lake where there are oak, cottonwood and willow. On a big leaf maple and dogwood.

Broad leaf oak, big leaf maple, dogwood, cottonwood and willow will be found outside Truckee and in Sierra Valley as well as along the route from Nevada City to Big Bend and along Highway 40.

Flowering dogwood and oak are to be found along Highway 50 from Lake Tahoe to Placerville and aspen in Tahoe Valley.

September and October are listed as the most brilliant months for foliage.

The booklet also gives identifying descriptions of the various types of trees and shrubs which turn in this season and lists the laws and regulations governing the removal of these from their native environment.

First recorded settlement in the Virgin Islands was in 1621.

Tavern Closing on 11th Is Slated to Follow Conventions at Tahoe

TAHOE CITY— Tahoe Tavern will close its doors following a successful season on September 11 and will reopen for the winter season on December 23, according to the Manager Fred Ichelson. This will be the first time since the season of 1932 that the resort will have been opened for winter operation.

Members of the Reliance Life Insurance Company will meet in convention at the Tavern September 4 to 7 and the North American Gas Tax Conference will be the last convention guests there from September 7 to 11.

The last shows of the season will be shown in the Tavern Theatre and Zizz Black, who has been in charge of the theatre, has already left for home, as has Miss Linn Biron, Tavern social director.

Harry Pierson, swimming instructor, remains for the rest of the season and reports in for his new job at the Sawtelle Veterans Hospital September 28 with his wife accompanying him south to find a home nearby.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Joint Unified School District, Tahoe, Placer County, California, at the office of the District Superintendent, Tahoe Lake Elementary School House, Tahoe, California, until eight o'clock p.m., September 12, 1949, at which place and time bids will be opened for the purchase of one (1) school bus with the capacity of forty-three (43) High school passengers.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and California Highway Patrol, 1950 regulations.

The Governing Board reserves the right to reject any or all bids, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

By Order of the Board of Trustees, Tahoe-Truckee Joint Unified School District. William Rutherford, Clerk.
Signed: William Rutherford
Dated: August 15, 1949 a18-2551

NOTICE OF ELECTION For Members of the Governing Board of the Truckee Sanitary District

NOTICE IS HEREBY GIVEN to the Electors of the Truckee Sanitary District that annual election of members of the Board of Directors will be held on the 20th day of September, 1949.

The polling place for said election will be at the office of the Truckee Sanitary District next to Truckee Motel, town of Truckee, County of Nevada, State of California. Two directors will be elected.

The polls will be open between the hours of 1 o'clock P.M. and 6 o'clock P.M. of said day.

The officers to conduct said election in the above named Truckee Sanitary District are Mrs. Lucile Bick, inspector; Mrs. Dorothy Leamon and Mrs. Velora Simon, judges.

FRED O. MORRIS, Secretary of Truckee Sanitary District. (88)

NOTICE OF TRUSTEES' SALE UNDER DEED OF TRUST

Under and by virtue of the provisions of that certain Deed of Trust dated May 14, 1948, executed by Charles I. Brunk and Dolly L. Brunk, his wife, as trustees, to L. L. Madland and J. S. Johns, as trustees, recorded in Book 129 of Official Records at page 318, in the office of the County Recorder of the County of Nevada, State of California, and pursuant to the request of the owner and holder of said Deed of Trust and the obligations secured thereby and by reason of a breach of the conditions of said Deed of Trust, notice of such breach and election to sell under said Deed of Trust having been heretofore recorded in Book 139 of Official Records at page 366, Nevada County Records, the undersigned, as trustees, do hereby give notice that on Wednesday, the 7th day of September, 1949, at the hour of 10:00 o'clock A.M. of said day, at the front door of the County Courthouse of said County of Nevada situated on the northerly side of Church Street between Pine and Winter Streets, in the City of Nevada City, County of Nevada, State of California, they will sell at public auction to the highest cash bidder, in lawful money of the United States, all that certain real property conveyed by and embraced in said Deed of Trust and hereinafter described, to accomplish the objects of said Deed of Trust and the trust thereby created.

Said real property is situated in the County of Nevada, State of California, and is described as follows:

PARCEL NO. 1: Lots One (1), Two (2), Three (3), West Thirteen (13) feet of Lot Forty-five (45), and all of Lot Forty-six (46) fronting on Main Street West, according to the Official Map of Truckee, made by Waggoner and filed in the Office of the County Recorder of Nevada County, June 3, 1901.

PARCEL NO. 2: The Easterly Two (2) feet of Lot Four (4) fronting on Main Street West, according to the Official Map of Truckee, made by Waggoner and filed in the Office of the County Recorder of Nevada County, June 3, 1901.

PARCEL NO. 3: Commencing at a reference point from which the Northeast corner of Section 15, Township 17 North, Range 16 East, MDB&M, bears North 65 deg. 02' 10" East 1,416.10 feet; thence South 71 deg. 13' West 824.53 feet; thence North 68 deg. 39' 10" West 126.12 feet; thence South 58 deg. 44' 30" West 83.00 feet to the point of beginning for the description of this parcel, being on the South property line of lot 45, Block "T", Town of Truckee, thence South 31 deg. 15' 30" East 65.21 feet to an intersection with an arc of a curve on the North boundary of the Southern Pacific right of way whose radius is 3,064.93 feet; thence Westerly along an arc of said curve to the left a distance of 126.83 feet and whose long chord bears South 69 deg. 12' 33" West 126.82 feet; thence North 22 deg. 12' 48" West 42.70 feet to a point on the South property line of Lot 4, Block "T", as shown on the official map of the Town of Truckee, thence North 58 deg. 44' 30" East 118.00 feet along said Southerly property line of Block "T", to the point of beginning, said parcel being a portion of Main Street West and that gore of land lying between the South property line of Main Street West and the North right of way line of the Southern Pacific Company, and lying entirely within Section 15, Township 17 North, Range 16 East, MDB&M, Town of Truckee, County of Nevada, State of California, and consisting of .150 acres more or less.

Mrs. Anna Pyle of Auburn is visiting at the home of her uncle and aunt, Mr. and Mrs. Frank Seymour. She was accompanied by her son, Stuart, and daughter, Raye, who spent the weekend.

Mr. and Mrs. J. A. McCurdy and family spent the weekend in Sacramento.

George Ward of San Francisco is spending some time at the home of Mr. and Mrs. John Hartwick.

Mr. and Mrs. Tony Armalini of San Francisco spent the weekend at the home of the formers' parents, Mr. and Mrs. Ray Yurich.

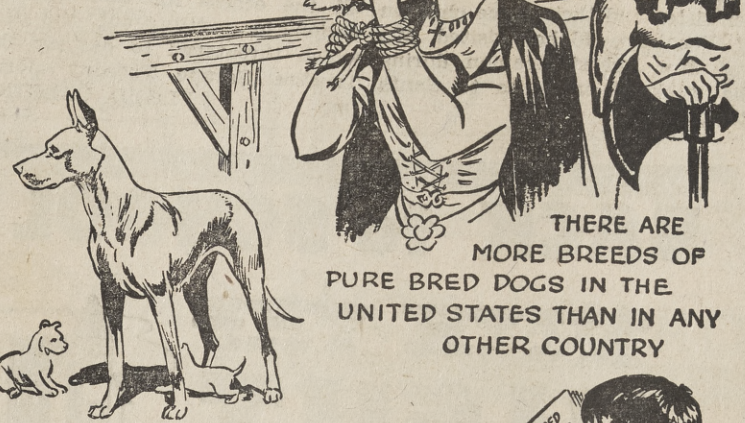

New residents are Mr. and Mrs. Drue Welch of Eugene, Oregon; Mr. and Mrs. Chad Watkins and family of Herlong and Mr. and Mrs. H. T. Smith and daughter of Reno.

Submarine Escape
One of the hazards of submarine operations is accidental flooding of the hull to a degree that positive buoyancy cannot be attained by blowing ballast. This occurred in the Squalus disaster in 1939. If the depth of the water is such that the hull is not crushed, it is likely that a considerable portion of the crew will be safe within the ship.

**My Place
In the Sun**

by DOUG BARRETT

Marvin Tackett, 10 year old son of Mr. and Mrs. Keith Tackett, set out to visit his aunt, Mrs. Ruby Hartson of Walnut Creek, the day after his birthday on August 15. His aunt met the bus and then proceeded to wait. And she waited five hours before she heard from Marvin who had ridden on into San Francisco. All is straightened out now and he finally got to Walnut Creek but his mother is still wondering what went on during those five "lost" hours in the enchanted city. Who says the Columbus spirit is dead?

If 'tis true that man's best friend is the dog, Truckee should be the friendliest town on the mountain. We've our share. So I've been told, this week by Jerry Zunino, Charlie Heller and Tex Garrett. Ed Meiss taking his Sunday putting new shingles on his Trout Creek Canyon house. Elmer Sadocchi sticking a new roof on his house too. Among other repairs and improvements. Tommy Dolley doing a fair business as the only shoeshine stand left on main street. There is folk, square and round dancing at the Capitol Hall every Saturday night from 8:30 to 12. proclaims a sign tacked on the door in front. Kary Kielhofer taking

his ease on the Toggery floor looking over juvenile style ads in a magazine. The bench in front of the Bargain Spot makes a nice spot to stop and talk in the afternoon. Erv Waters reclining on his downy bunk reading as three ladies conduct the hospital election in his bed room. Heslin Cardinal scribbling down the names of the firemen who turned out at 4:30 Tuesday morning for the Truckee Garage difficulty. Reg Smart polishing up his garbage cans back of the Goodfellows. Fall is in the air. with football schedules on hand at Osburn's Associated and Ellis Bros. Shell service stations.

Bob Simon tells me that the Truckee branch, Bank of America, is set up to receive contributions for the relief of the victims of the recent earthquakes in Ecuador, along with the bank's 521 other branches in California. Donations by check should be made payable to Ecuador Disaster Relief Committee, San Francisco. You might think it odd for me to mention it but I happened to think of one night in Truckee last winter. Who knows? We may need such aid ourselves some time.

U.S. Growing Trees

In the United States today far more trees are being grown than have ever been grown before. For the first time in forest history the growth of trees of all sizes nearly equals the withdrawal of trees by fire, insects, disease and wind plus those harvested by man.

Record Traffic Forecast
Over 3-Day Holiday;
Patrol at Full Strength

SACRAMENTO—All existing traffic records are expected to be broken over the coming three-day Labor Day holiday, it was revealed here today by the California Highway Patrol as orders went forth for every available man to be on duty.

"This will be the last vacation period for many families before school opens," said Patrol Commissioner Clifford E. Peterson, "and we know the highways will be crowded. Our advice to everyone is to use the utmost care in driving and walking."

Peterson emphasized the following safety tips:

Be certain all items carried on the sides or top of car are securely fastened. This may prevent a serious accident.

Don't take chances with poor brakes. Have them checked and if they need repairs, see that they are made.

Don't try to drive too far each day. Fatigue is dangerous.

If you use a trailer, be certain it is properly equipped, that your hitch is safe and then remember to stay within the allowed 45 mile speed limit.

Remember all you have heard about the dangers of driving after drinking—it's all true.

Public Health Nurse Joins
Placer County Staff

AUBURN—An additional public health nurse has been added to the staff of the Placer County Health Department. Miss Helen Marie Boettner, RN, BS and Public Health Nurse, begins her employment on September 1.

Miss Boettner comes highly recommended for the position, having had a wide field of training and experience in public health nursing work. Her educational and professional background includes a BS degree from Columbia University, New York, visiting and school nurse services, county departments of public health service, infant welfare society experience and most recently, school nurse in the Santa Barbara city schools.

Mr. and Mrs. George B. Varnum of Homewood left for their home in Los Angeles this week.

Dean to Ask Reversion
Of Local Aid Money
To State General Fund

SACRAMENTO—(W. N. S.)—With approximately \$3,000,000 in unused local government planning and site money, appropriated by the legislature in 1944, in the state treasury, State Finance Director James S. Dean said this week he plans to ask that this sum, revert to the general fund.

Dean made this announcement at a meeting of the local allocations board, which was in agreement that five years should be sufficient for the state's 58 counties to plan post-war projects to be financed from the original \$90,000,000 voted by the state legislature.

The finance director said he would ask the legislature for reversion of the \$3,000,000 at the close of the present fiscal year, June 30, 1950.

The board this week allocated \$613,703 for local projects, which on a matching basis, totaled in excess of \$1,250,000.

County Health
First county health department in the U. S. was established in Guilford county, North Carolina, on June 1, 1911.

Lake Tahoe Is Popular
With Honeymooners
From Capital City

Lake Tahoe honeymoons followed the recent weddings of two Sacramento couples.

Mr. and Mrs. Melvin R. Garlick were married in the Mormon Temple in Salt Lake City on August 17 and stopped off at the lake before returning to Sacramento where they will establish their future home.

Honeymooning at Tahoe this week are newlyweds Mr. and Mrs. Anthony Eramo. They were married in Reno. Both are employed in the capital city.

Airplane Replaces Horse
In State's Program
For Stocking Lakes

The airplane has replaced the horse in the state's assignment of planting fish in hundreds of wilderness lakes. A report from the division of fish and game discloses a total of 250,000 trout were planted last month in 71 high Sierra lakes during a total flying time of 17 hours. Many of the waters were previously inaccessible to planting crews.

Cost of the airborne operation amounted to only \$500.

HIGHWAY 40 VITAL LINK TO SECURITY SAYS RENO JUDGE

Eight property owners in Verdi got a temporary injunction restraining the Silver State Construction Co. of Fallon from proceeding with a contract with the Nevada state highway department.

Judge William McKnight at Reno heard arguments and at their conclusion, he ruled that the eight property owners, only two of them engaged in commercial activity, might suffer by relocation of the highway. However, the broader element of general public welfare outweighed that consideration and Judge McKnight dissolved the temporary injunction. Underlying the case was the issue of national security, observers stated.

Military installations in Utah have been expanded. There is a natural connection between them and other military establishments in California and the San Francisco Bay area, staging point for the Pacific.

U. S. Highway 40 has to rise 7135 feet while U.S. 50 goes up 7382 feet at Echo Summit, to 7300 feet on the primary highway to Carson City, to 7440 on the Minden cutoff and to 7800 on connecting California Highway 89 at Luther Pass in Alpine County.

U.S. 40, therefore, is considered the most logical to improve by military authorities.

Donnelly Trial Slated Oct. 25 in Reno Court

October 25 has been set by Judge William McKnight of Reno as the date for the trial of Mark James Donnelly, 32, charged with the murder of Walter Hempel, 72, prominent Lake Tahoe realtor. At his arraignment this week, Donnelly entered a plea of not guilty.

The suspect was returned from Texas several weeks ago after information revealed, officers said, that he was seen with Hempel just shortly before the brutal slaying near Kings Beach.

The state will ask for the death penalty.

Although Donnelly is said to have admitted being with Hempel the night of the murder, he said he left before the real estate man was killed.

Bigger, Newer Station Plan of Union Oil Co.

Announcement was made this week that the Union Oil Company plans to enlarge its service station at Bridge Street and Commercial Row this fall, making it approximately twice the present size. The station is presently under the management of Cullen Ott, who proposes to give up his contract under the new arrangement.

The station will extend from a point some distance east of the present building to a point near the fire station and will be closer to the highway, according to present plans. The building now on the property will be replaced, it was announced, by a larger one and other buildings will be added.

Back to Oklahoma—

Mrs. J. T. Rollf returned to her home in Ada, Oklahoma, by plane last Thursday following a two weeks' visit with her sisters, Mrs. James Gowing and Mrs. Claude Ray, at their homes on the Truckee River.

Vallejo Visitors—

Mr. and Mrs. Monte Archer and the latter's father, Roy Bassford, were visitors to Vallejo over the weekend.

Back on Job—

Deputy Sheriff Fosten Wilson returned to his duties here this week following treatment in the Veterans Hospital at Reno.

At Sparks—

Mr. and Mrs. Ted Johnson visited local friends this week and are now living in Sparks, Nevada.

From Idaho—

Mr. and Mrs. Clyde Brisbois, her sister and their three children of Pocatello, Idaho, visited Mr. and Mrs. Robert Leamon during the weekend en route to Santa Rosa.

Routine Business Takes Up Chamber Meeting

Only routine business occupied the directors of the Truckee Chamber of Commerce at their meeting at Goodfellows Coffee Shop Monday. Methods of advertising the community to the best advantage were discussed. The next meeting will be at the California Restaurant.

CARD OF THANKS

We wish to thank the Truckee Volunteer Fire Department, Deputy Sheriff Fosten Wilson and all the others for their prompt action in putting out the fire which threatened to destroy the Truckee Garage Tuesday morning.

FLOYD CALKINS

Here on Leave—

Bert Brock is spending a few days with his family and friends here while on leave from the Navy.

At Capital—

Dick Loynd was a Sacramento visitor this week.

Hocker Visitors—

Weekend visitors of Mr. and Mrs. Gaston Hocker were Mr. and Mrs. P. L. Hocker and son Donald of Downey and Mrs. Joseph Distel and son Ted of Mill Valley.

From Bay City—

Mr. and Mrs. James Preston of San Francisco were the weekend guests here of Mr. and Mrs. Wm. Preston.

From Morro Bay—

Mr. and Mrs. Robert Tonini expect Mr. and Mrs. Ben Tonini of Morro Bay to arrive here during the weekend for a visit with their local relatives and friends.

Attend Squad Meet—

All local officers of the California Highway Patrol were in Roseville Monday night attending a squad meeting of the Placer Area.

Exhibiting at Fair—

The Donner Lake Chinchilla Farm has an exhibit at the 90th California State Fair which opens today at Sacramento for an 11-day exposition, according to Geo. O. Cook, the farm manager.

Friendly headquarters
for your children's "growing" needs!

TODAY it's bandages and antiseptics. Yesterday it was medicine ordered by your doctor for childhood ills. And before that—baby oil, bottles and nipples, special infant foods...

Just imagine what child-raising would be like if you didn't have your drug store to turn to!

When you reflect on the varied nature of the prescriptions your pharmacist is equipped to fill—and all the times you have depended on his services—you realize how essential he is to your family's health.

And when you consider the timesaving convenience the drug store offers... no wonder today's busy parents rely on it for so many of their "growing" needs!

They like the pleasant, professional atmosphere of the store. And they like the pharmacist himself—a friendly, warm-hearted man of science, whose spirit of service is an American tradition.

Get better acquainted with your pharmacist. Trade with him—he's a man you can rely on.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

Tarzan

by EDGAR RICE BURROUGHS

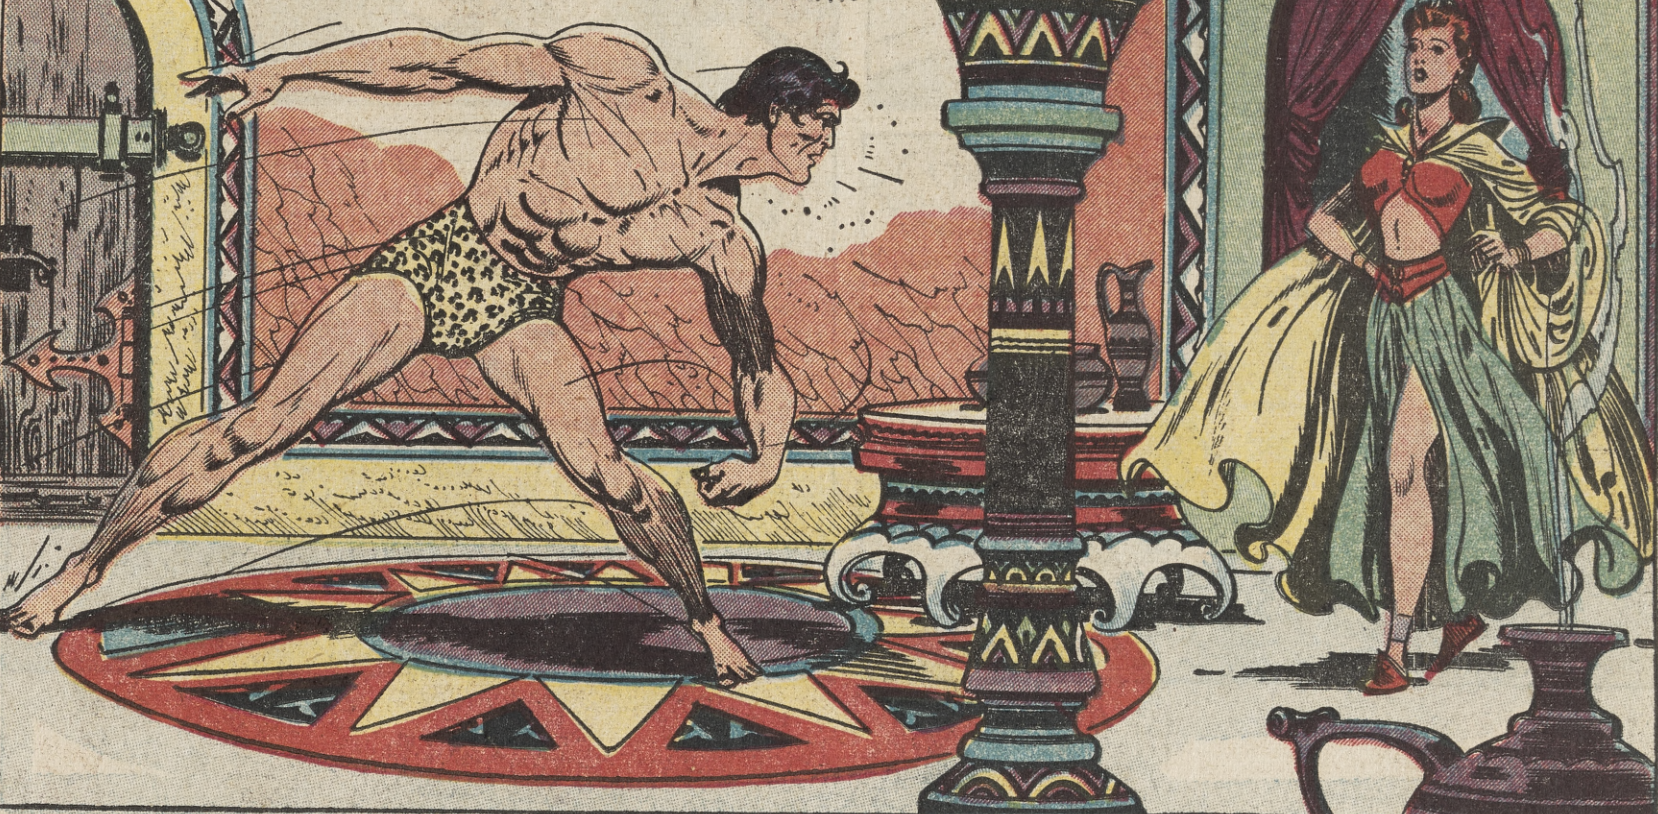

WITH ONLY SECONDS TO SPARE, TARZAN THREW HIS WEIGHT AGAINST THE DOOR. AS THE DOOR SWUNG INWARD-----

--- HE HEARD THE GUTTERAL CRIES OF THE ONRUSHING ONOONES, ROLLING UP THE RAMP INTO THE CROSS-CORRIDOR.

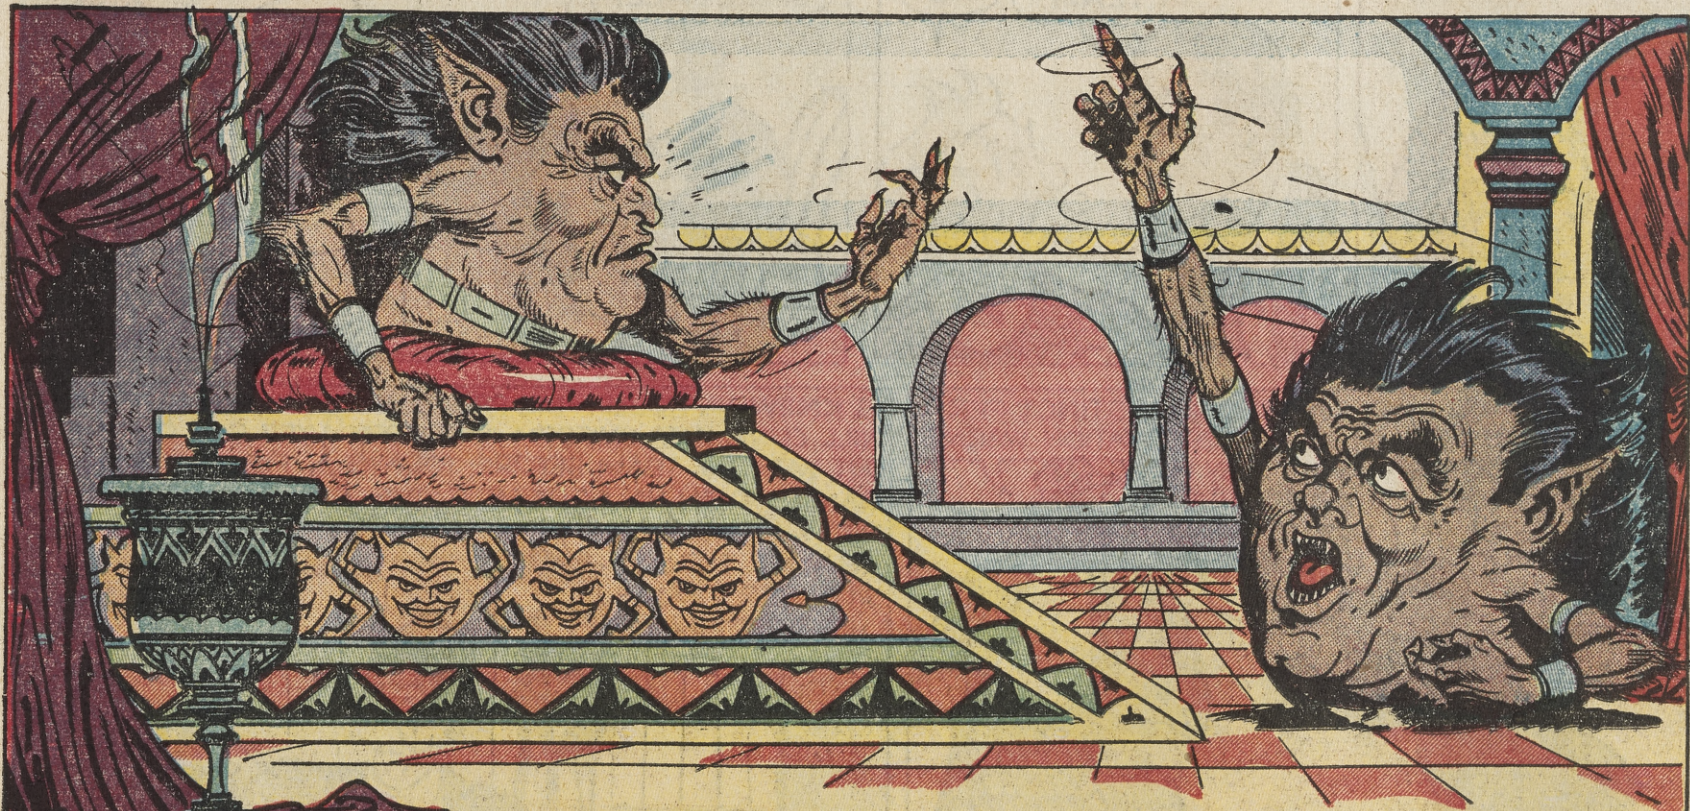

PROPPING THE LOCK-BAR INTO PLACE, TARZAN TURNED---TO FIND THAT HE WAS NOT ALONE IN THE ROOM.

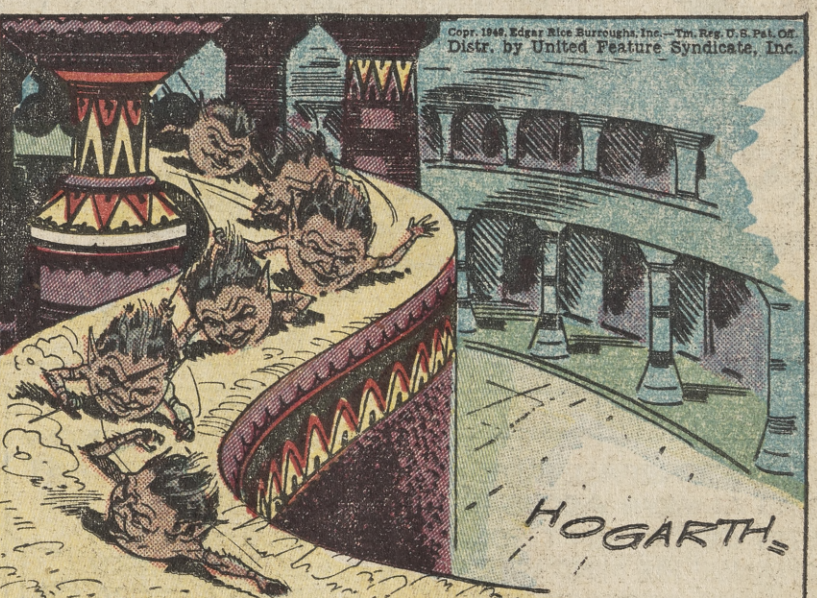

"WHO ARE YOU?" THE GIRL ASKED IN A HESITANT ENGLISH ACCENT. "I AM TARZAN-- I WILL NOT HARM YOU," HE SAID.

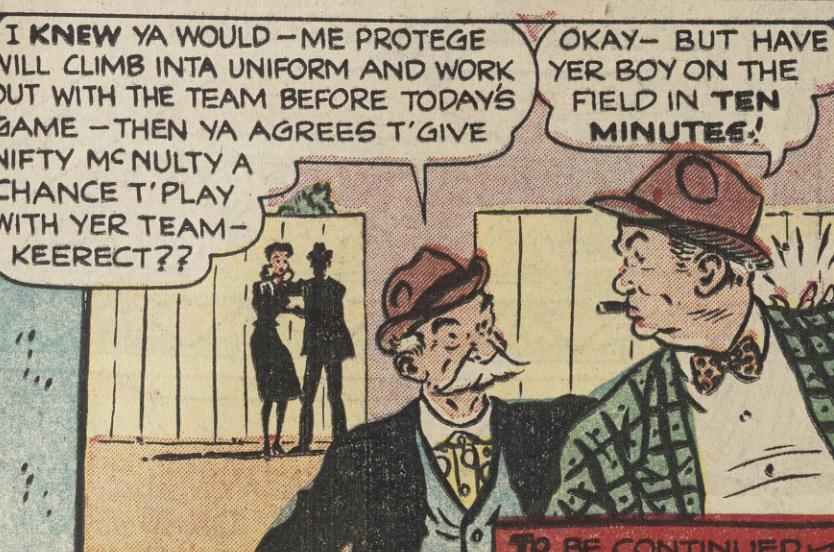

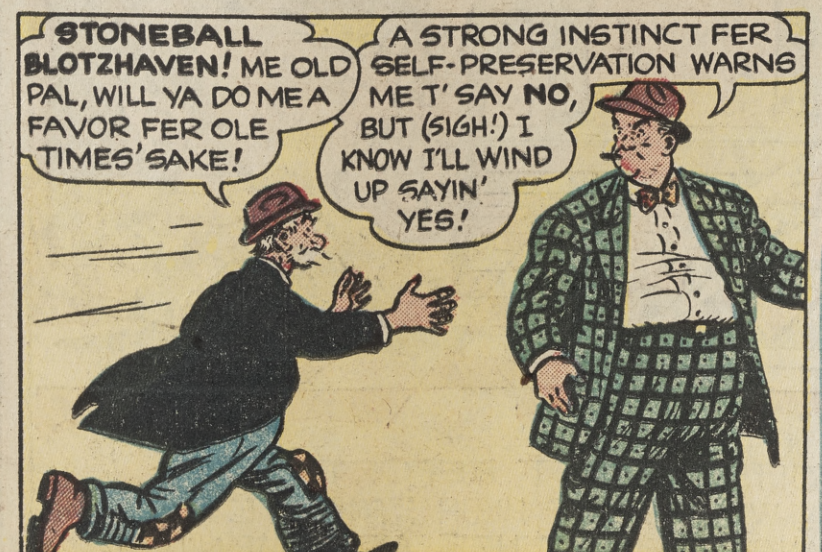

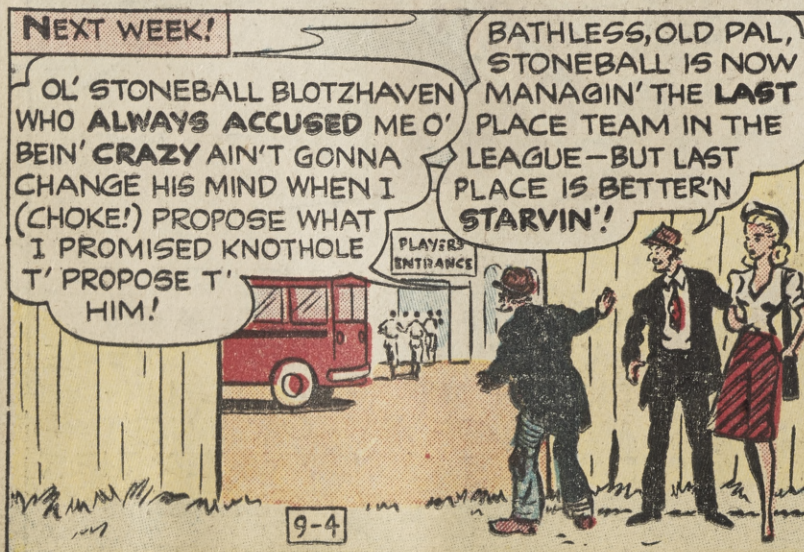

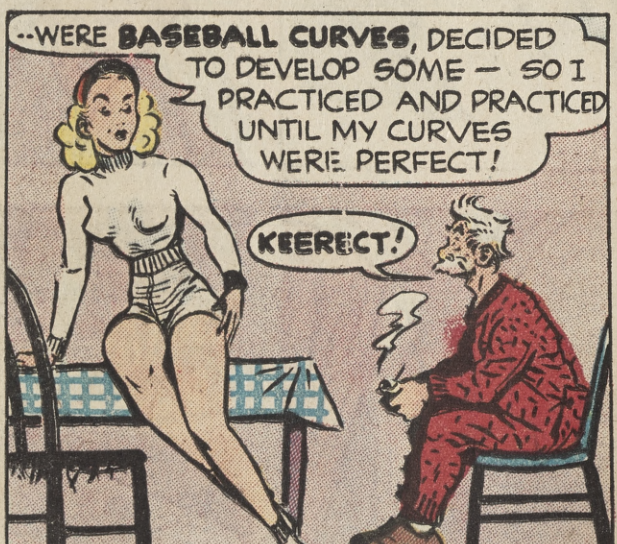

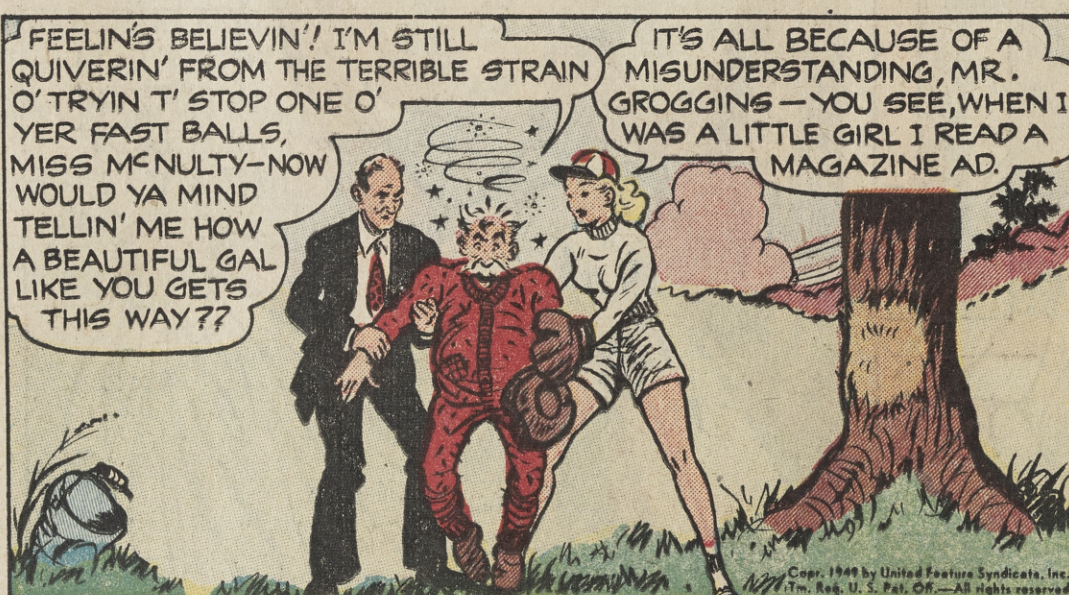

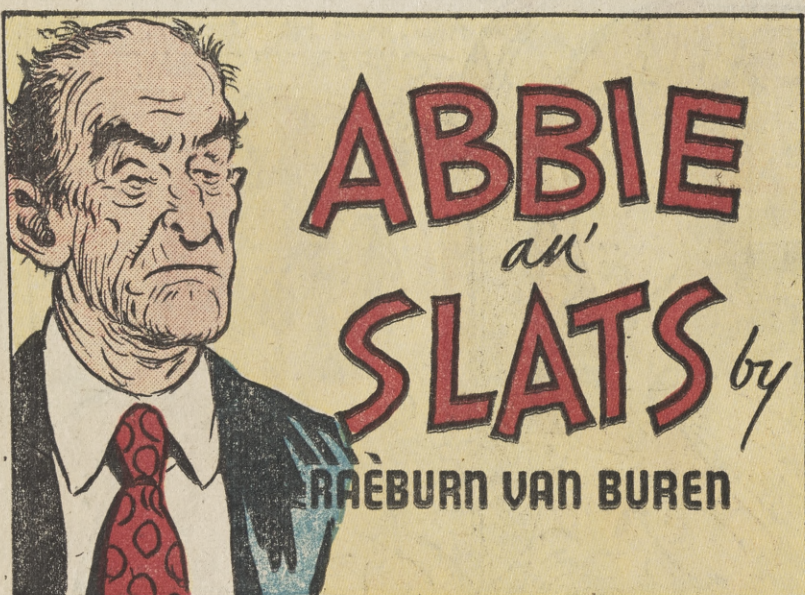

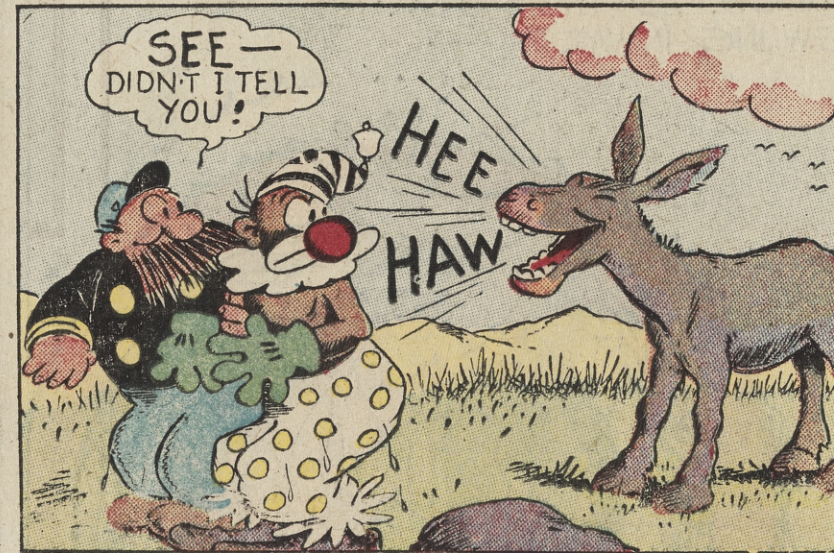

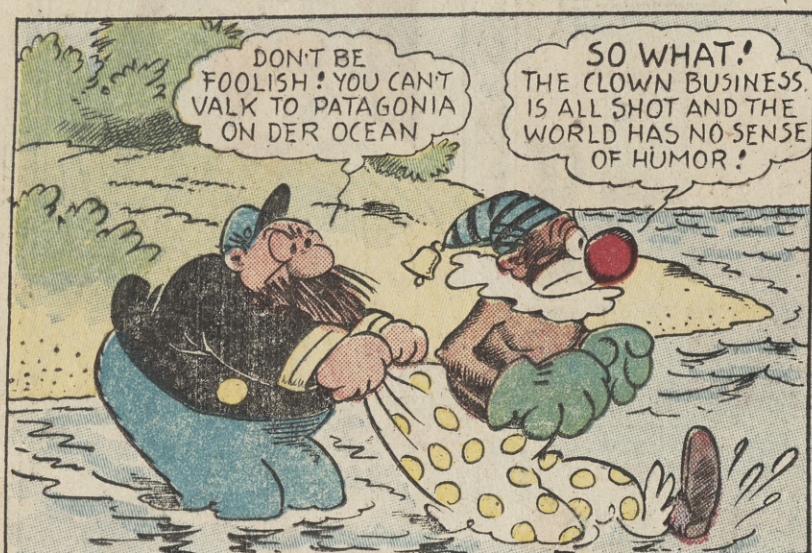

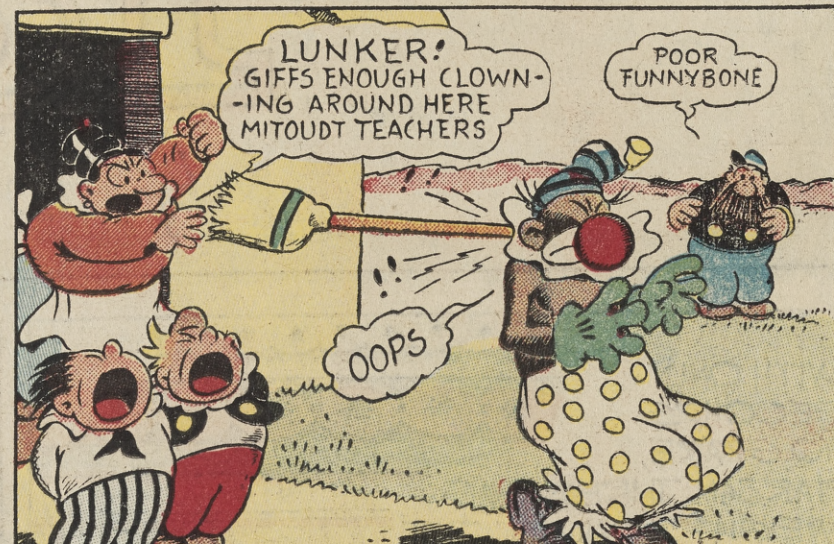

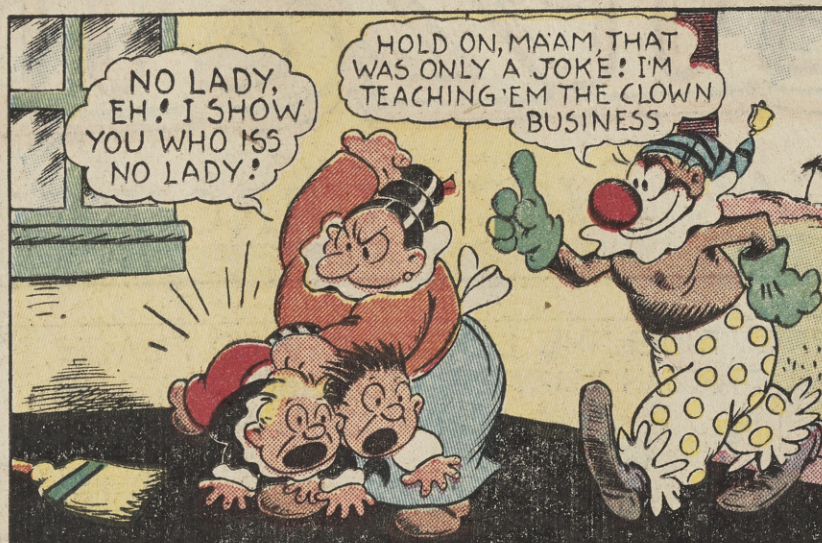

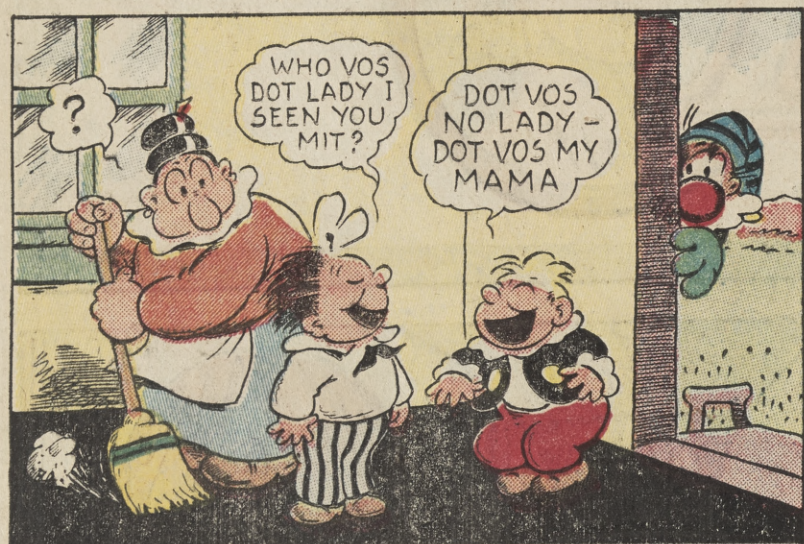

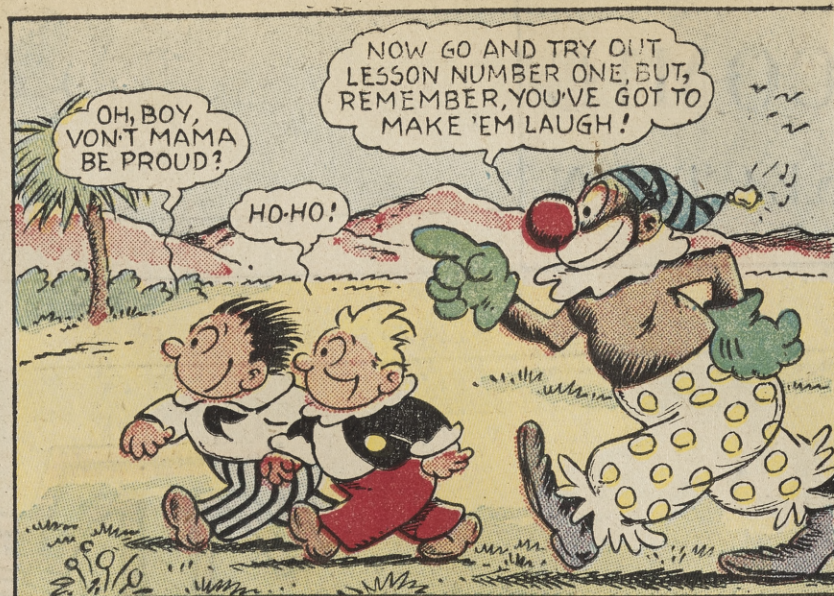

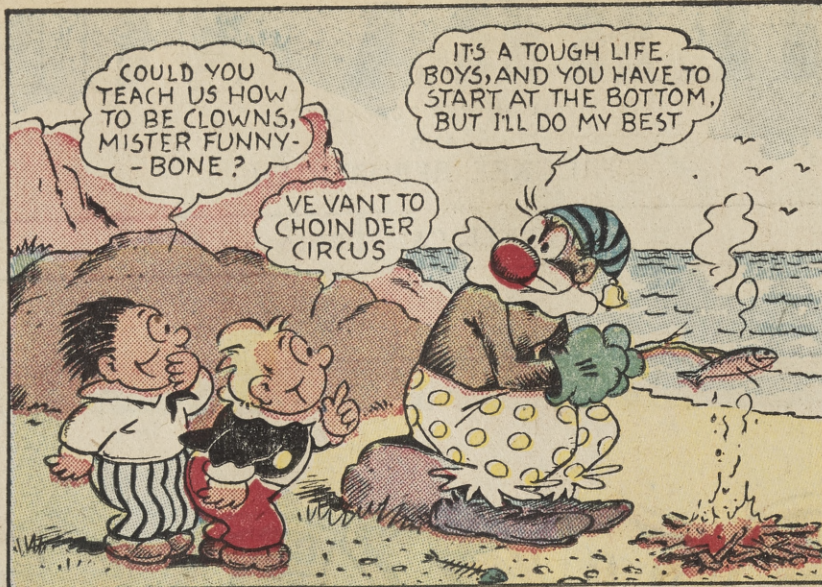

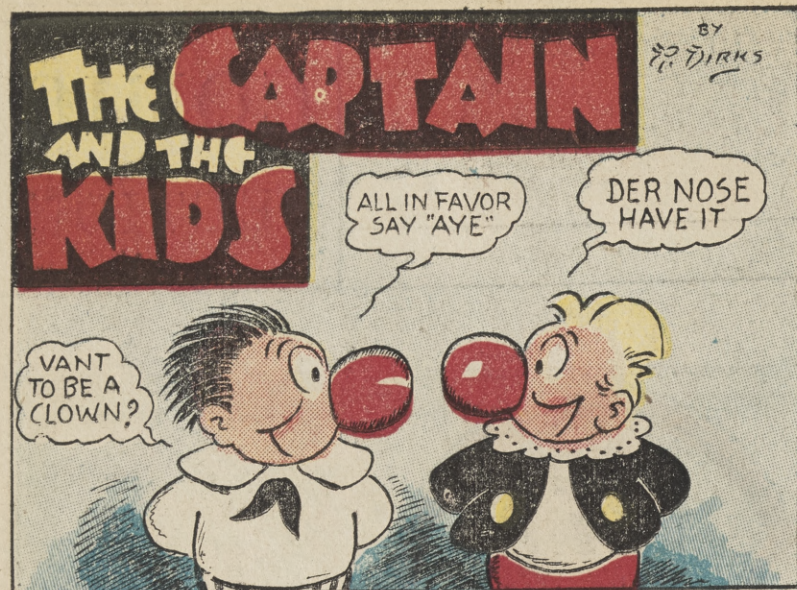

HE SPOKE TO THE GIRL AND TOLD HER SHE WAS BARBARA RANSOME. HE REVEALED RANSOME'S LOCKET--AND REMOVING HER, THEY COMPARED THEM. THEY WERE IDENTICAL!

MEANWHILE, AN EXCITED PRIEST REPORTED TO GLUXA. "ON THE LEVEL WHERE THE HIGH PRIESTESS DWELLS, I SAW THE STRANGER ENTER HER APARTMENT."

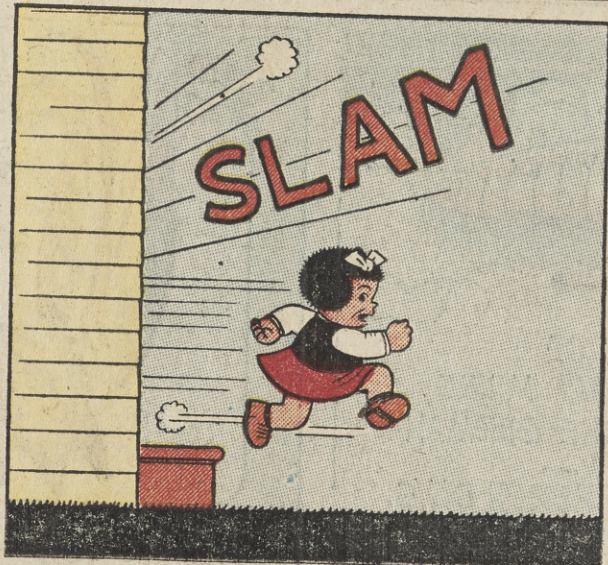

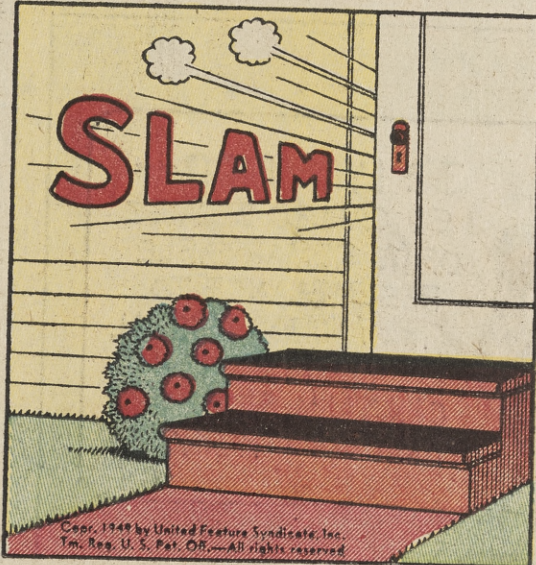

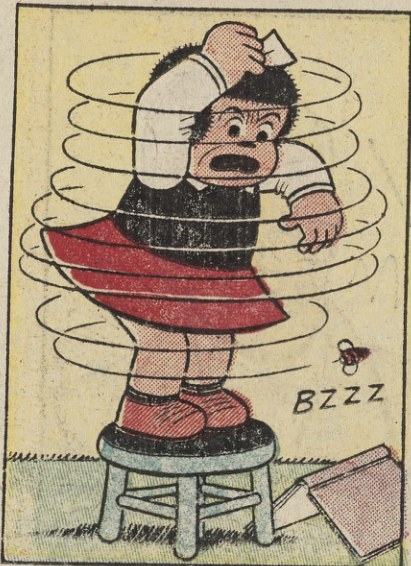

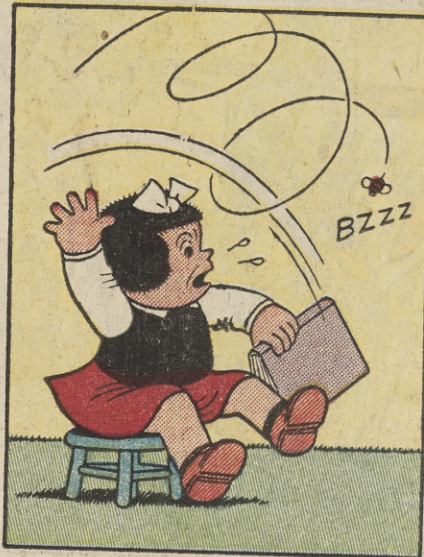

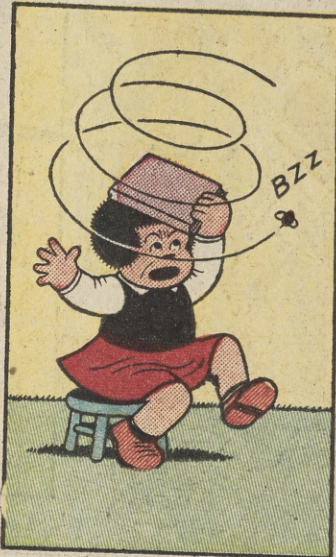

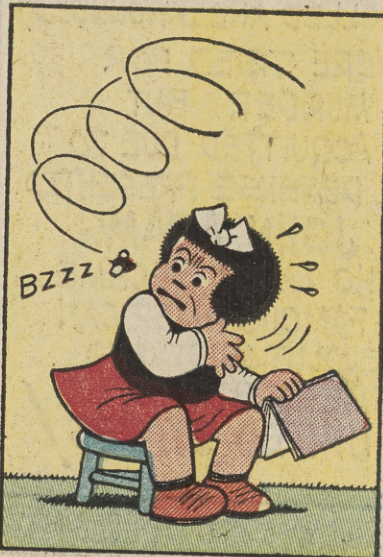

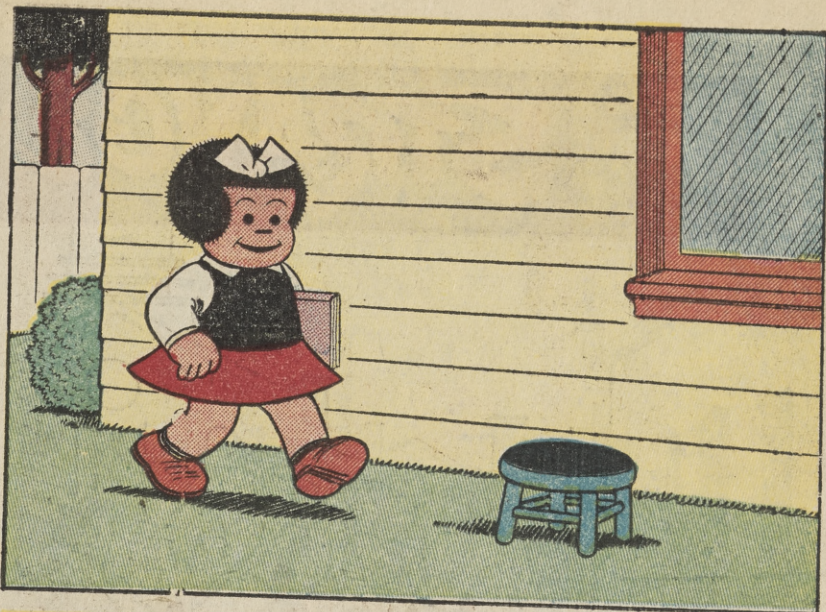

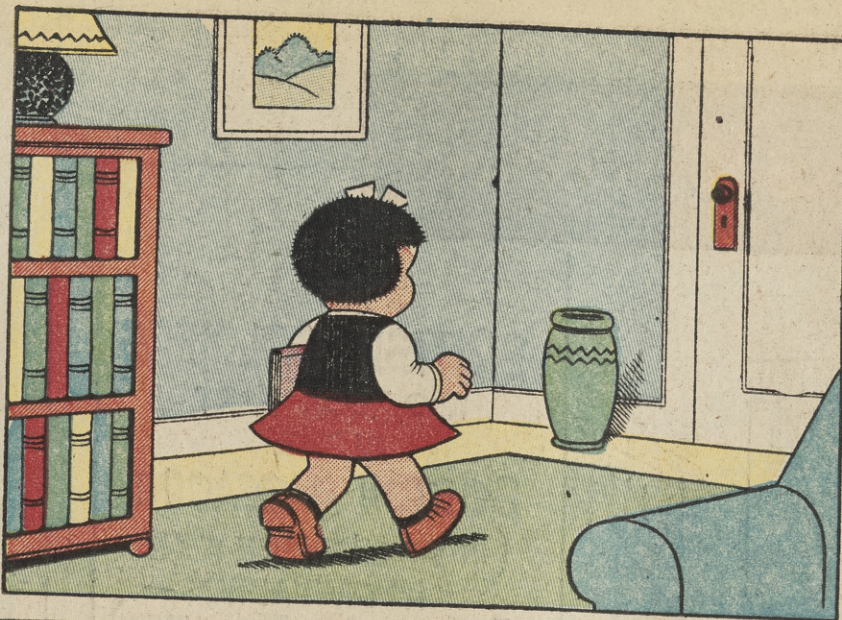

GATHERING HIS GUARDS, THE HIGH PRIEST SPED TOWARD BARBARA'S APARTMENT WHERE TARZAN AND THE GIRL, UNAWARE OF APPROACHING DANGER, CONSIDERED THEIR CHANCES OF ESCAPE.

JOE INKS
BY
HENRY FORMHALS

THE OLD PROSPECTOR HAS LED THE BLINDFOLDED AND SKEPTICAL JOE TO A HIDDEN LAKE WHERE GIANT TROUT, THE SIZE OF FIRE-PLACE LOGS, ARE SUPPOSED TO ABOUND!

Y' CAN'T TELL ME THERE ARE ANY BIG FISH IN THAT PUDDLE!

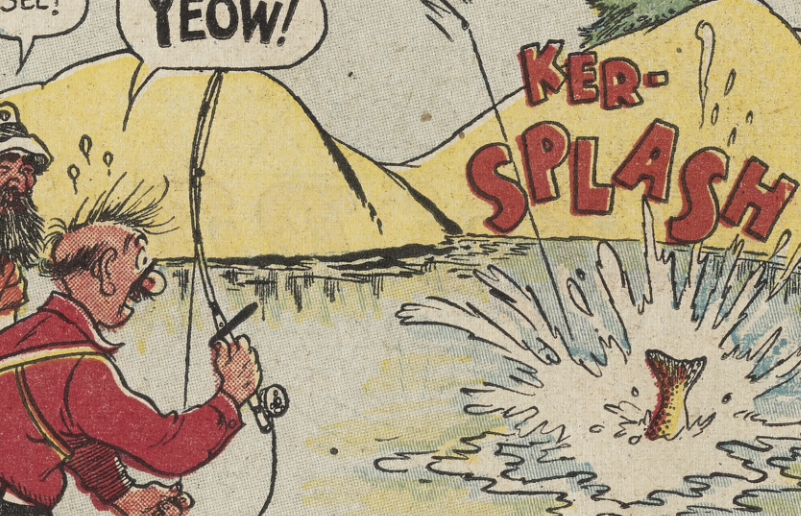

JUS' TOSS IN YER FLY AN' GET SET!

SEE!

YEOW!

KER-SPLASH

DIDN'T BELIEVE ME, DID YUH?

HOLY SMOKE! HE MUST BE THREE FEET LONG!

HECK! DARN! HE SNAPPED MY LEADER!

PUT ON 'NOTHER! BUT I WARN YUH, TH' TACKLE AIN'T MADE WHAT'LL HOLD THESE LUNKERS!

WELL, THAT DOES IT! I'VE BROKEN EV'RY LEADER AN' LOST EV'RY FLY IN MY BOX!

Y' KNOW SOME FOLKS COLLECT STAMPS AN' OTHERS COINS. WELL, THESE TROUT COLLECT FLIES!

WELL, LEMME PUT ON YER BLINDFOLD! MIGHT AS WELL START BACK!

CONFOUND IT! IF I'D JUST LANDED ONE!

---AN' THEY WERE THAT LONG! I HOOKED ONE WITH EV'RY CAST, AN'--

ER, JOE--I TOLD YOU NOT TO GO OUT IN THE SUN WITHOUT YOUR HAT! YOU GO LIE DOWN AND I'LL GET A NICE COOL CLOTH FOR YOUR FOREHEAD!

TH' EXPERIENCE OF A LIFETIME, AN' I HAVEN'T GOT A THING T'SHOW FOR IT! NOT EVEN A SNAPSHOT! NOBODY WILL BELIEVE ME!

I WISH IT HAD NEVER HAPPENED!

MORE NEXT WEEK!
